Grief And Loss Activity Sheets:

Helping Teens Work Through Grief Mary Kelly Perschy, 2012-09-10 The second edition of *Helping Teens Work Through Grief* provides a more complete and updated manual for facilitators of teen grief groups. It includes additional background information about developmental aspects of teens, the process of grief, aspects of trauma and its effects on teens, the value of a group, determining the group appropriateness of particular teens, and parental involvement. The many details involved with beginning a group, publicity, interviews, registration, structure, closure, evaluation, and follow up are listed. *School Counseling and Social Work Homework Planner (W/ Download)* Sarah Edison Knapp, David J. Berghuis, 2017-04-19 Features assignments and exercises to meet the changing needs of school counselors and school social workers. The *School Counseling and School Social Work Homework Planner Second Edition* provides you with an array of ready to use between session assignments designed to fit virtually every therapeutic mode. This easy to use sourcebook features 75 ready to copy exercises covering the most common issues encountered in school settings such as study and organizational skill deficits and academic motivation, underachievement, as well as outside issues such as blended families, divorce, substance abuse, teen pregnancy, and parenting skill deficits. A quick reference format, the interactive assignments are grouped by presenting problems including learning difficulties, disruptive classroom behavior, self-esteem building, bullying, and school violence. Expert guidance on how and when to make the most efficient use of the exercises. Assignments cross referenced to *The School Counseling and School Social Work Treatment Planner Second Edition* so you can quickly identify the right exercise for a given situation or problem. A download code that contains all the exercises in a word processing format allowing you to customize them to suit you and your clients' unique styles and needs. Additional resources in the Practice Planners series. Treatment Planners cover all the necessary elements for developing formal treatment plans including detailed problem definitions, long term goals, short term objectives, therapeutic interventions, and DSM-5 diagnoses. Documentation Sourcebooks provide the forms and records that mental health professionals need to efficiently run their practice.
