Floating Palaces of the Great Lakes Joel Stone,2015-06-30 Through much of the nineteenth century steam powered ships provided one of the most reliable and comfortable transportation options in the United States becoming a critical partner in railroad expansion and the heart of a thriving recreation industry The aesthetic structural and commercial peak of the steamboat era occurred on the Great Lakes where palatial ships created memories and livelihoods for millions while carrying passengers between the region's major industrial ports of Chicago Milwaukee Detroit Cleveland Buffalo and Toronto By the mid twentieth century the industry was in steep decline and today North America's rich and entertaining steamboat heritage has been largely forgotten In Floating Palaces of the Great Lakes Joel Stone revisits this important era of maritime history packed with elegance and adventure politics and wealth triumph and tragedy This story of Great Lakes travelers and the beautiful floating palaces they engendered will engage historians and history buffs alike as well as genealogists regionalists and researchers *Rebels on the Great Lakes* John Bell,2011-09-14 In 1863 1864 Confederate naval operations were launched from Canada against America with an unexpected impact on North America's future Since the terrorist attacks of 9 11 a myth has persisted that the hijackers entered the United States from Canada This is completely untrue Nevertheless there was a time during the U S Civil War when attacks on America were launched from Canada but the aggressors were mostly fellow Americans engaged in a secessionist struggle Among the attacks were three daring naval commando expeditions against a prisoner of war camp on Johnsons Island in Lake Erie These Confederate operations on the Great Lakes remain largely unknown However some of the people involved did make more indelible marks in history including a future Canadian prime minister a renowned Victorian war correspondent a beloved Catholic poet a notorious presidential assassin and a son of the abolitionist John Brown The improbable events linking these figures constitute a story worth telling and

remembering Rebels on the Great Lakes offers the first full account of the Confederate naval operations launched from Canada in 1863⁶⁴ describing forgotten military actions that ultimately had an unexpected impact on North America's future

The Civil War Naval Encyclopedia Spencer C. Tucker, 2010-12-09 Long overlooked in favor of land engagements this is the first encyclopedia to analyze the naval aspects of the American Civil War The brilliance of both sides secretaries of the navy Stephen Mallory and Gideon Welles The Dahlgren guns of the Union forces and the Confederate Navy's Brooke guns that were essential in battles involving ironclad ships The significant contributions of African Americans in the ship crews of the U S Navy during the Civil War These are examples of the fascinating details contained in The Civil War Naval Encyclopedia that provide readers with a complete understanding of the naval aspects of the American Civil War The entries in this sweeping text provide comprehensive treatment of overall strategies on each side the role of diplomacy leading naval officers and other personalities battles and important engagements ship types well known individual warships naval ordnance and weapons systems and new developments such as mines and submarines Topics such as shipboard life major waterways prominent seaports and the role of logistics in determining the outcome of the war are also covered

Iron Will Terry S. Reynolds, Virginia P. Dawson, 2011-03-15 The history of Cleveland Cliffs a company that played a key role in iron mining development in the Lake Superior region In Iron Will Cleveland Cliffs and the Mining of Iron Ore 1847-2006 Terry S Reynolds and Virginia P Dawson tell the story of Cleveland Cliffs the only surviving independent American iron mining company now known as Cliffs Natural Resources Headquartered in Cleveland Ohio Cleveland Cliffs played a major role in the opening and development of the Lake Superior mining district and Michigan's Upper Peninsula Through Cleveland Cliffs history Reynolds and Dawson examine major transitions in the history of the American iron and steel industry from the perspective of an important raw materials supplier Reynolds and Dawson trace Cleveland Cliffs beginnings around 1850 its growth under Samuel L Mather and his son William G Mather its emergence as an important player in the growing national iron ore market and its tribulations during the Great Depression The authors explore the company's fortunes after World War II when Cleveland Cliffs developed technologies to tap into vast reserves of low grade Michigan iron ore and turned to joint ventures and strategic partnerships to raise the

capital needed to implement them The authors also explain how the company became the largest independent producer of iron ore in the United States by purchasing the mining interests of its bankrupt partners during the implosion of the American steel industry in the late twentieth and early twenty first centuries Reynolds and Dawson detail Cleveland Cliffs evolving efforts to deal with labor from its early mostly immigrant workforce to its ambitious program of welfare capitalism in the early twentieth century to its struggles with organized labor after World War II Iron Will is a thorough well organized history based on extensive archival research and interviews with company personnel This story will appeal to scholars interested in industrial or mining history business historians and those interested in Great Lakes and Michigan history

The Fenians Patrick Steward, Bryan P. McGovern, 2013-07-17 Aspirations of social mobility and anti Catholic discrimination were the lifeblood of subversive opposition to British rule in Ireland during the mid nineteenth century Refugees of the Great Famine who congregated in ethnic enclaves in North America and the United Kingdom supported the militant Fenian Brotherhood and its Dublin based counterpart the Irish Republican Brotherhood IRB in hopes of one day returning to an independent homeland Despite lackluster leadership the movement was briefly a credible security threat which impacted the history of nations on both sides of the Atlantic Inspired by the failed Young Ireland insurrection of 1848 and other nationalist movements on the European continent the Fenian Brotherhood and the IRB collectively known as the Fenians surmised that insurrection was the only path to Irish freedom By 1865 the Fenians had filled their ranks with battle tested Irish expatriate veterans of the Union and Confederate armies who were anxious to liberate Ireland Lofty Fenian ambitions were ultimately compromised by several factors including United States government opposition and the resolution of volunteer Canadian militias who repelled multiple Fenian incursions into New Brunswick Quebec Ontario and Manitoba The Fenian legacy is thus multi faceted It was a mildly threatening source of nationalist pride for discouraged Irish expatriates until the organization fulfilled its pledge to violently attack British soldiers and subjects It also encouraged the confederation of Canadian provinces under the 1867 Dominion Act In this book Patrick Steward and Bryan McGovern present the first holistic multi national study of the Fenian movement While utilizing a vast array of previously untapped primary sources the authors uncover the socio economic roots of Irish nationalist behavior at the height of the Victorian Period Concurrently they trace the progression of Fenian ideals in the grassroots of Young Ireland to its de facto collapse in 1870s In doing so the authors change the perception of the Fenians from fanatics who aimlessly attempted to free their homeland to idealists who believed in their cause and fought with a physical and rhetorical force that was not nonsensical and hopeless as some previous accounts have suggested

PATRICK STEWARD works in the Mayo Clinic Development Office in Rochester Minnesota He obtained a Ph D in Irish History at University of Missouri under the direction of Kerby Miller Patrick
