Eastern Europe Unmapped Irene Kacandes,Yuliya Komska,2017-10-01 Arguably more than any other region the area known as Eastern Europe has been defined by its location on the map Yet its inhabitants from statesmen to literati and from cultural economic elites to the poorest emigrants have consistently forged or fathomed links to distant lands populations and intellectual traditions Through a series of inventive cultural and historical explorations Eastern Europe

Unmapped dispenses with scholars long time preoccupation with national and regional borders instead raising provocative questions about the area s non contiguous and frequently global or extraterritorial entanglements **Religious Diversity**
