presents detailed information on conceptuali *Powerful Proposal Powerful Presentation* Mutea Rukwaru,2015-07-01

Within the field of research there is no challenging task as to present your research findings through an oral presentation or what is called a defense In the mind of the student defense conjures an image of a fight meeting an unfriendly audience sadistic and ready to poke and tear your work down Defense is simply presenting your research findings to an audience It is not a contest Its main objective is to find out if what you are presenting is your original work or if somebody has done it for you Students are never quite prepared for this event as they would like to be This rite of passage looms before them as a mysterious and unknown event a gothic terror in its own right something akin to a sword of Damocles It certainly should not be this way and some forethought and preparation will go far in fostering confidence The suggestions in this book will help students take control of this nerve wracking experience and transform it into the exciting memorable and joyful event that it should be It should not be a fearful event fearing that you may be floored by your academic nemesis The book also exposes you to a format of a research proposal format of a final research report APA and Havard methods of referencing motivation for embarking on a PhD or a Master s thesis and also the concept paper **Basic Concepts in the Methodology of the Social Sciences** Johann Mouton,H. C. Marais,1988 This book consists of three major sections In the first which includes chapters 1 to 7 the basic concepts of the methodology of the social social sciences are discussed In the second chapters 8 and 9 the most important concepts of part one are integrated in discussions on the writing of research proposals and research reports The third section appendices consists of three case studies in which the most important methodological principles which were discussed in the preceding sections are illustrated *The School Services Sourcebook, Second Edition* Cynthia Franklin,Mary Beth Harris,Paula Allen-Meares,2012-11-27 The School Services Sourcebook covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen Sections with an additional six chapters included in an online section found on the book s companion website Fifteen new chapters cover key topics such as implementing an RTI framework positive behavioral supports school climate functional behavioral assessment the integration of ethics Autism and suicide school engagement military families Latino immigrant families classroom management transition planning and several chapters that speak to assessment and accountability Each chapter serves as a detailed intervention map quickly summarizing the problem area before presenting step by step instructions on how to implement an evidence based program with clear goals in mind and methods to measure the outcome The concise user friendly format from the first edition has been retained orienting readers to each issue with a Getting Started section then moves smoothly into What We Know What We Can Do Tools and Practice Examples and Key Points to Remember A new section Applying Interventions within Response to Intervention Framework has been added to each chapter to facilitate the implementation of an RTI model Quick reference tables and charts highlight the most important information needed for daily
