Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil Lionel Attwell,2007-08-01 Lionel Attwell a former highly successful national newspaper reporter spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines In the process it created a pagan counterfeit Christianized Messiah His research also reveals the

incredible events which actually occurred in the Garden of Eden the forbidden fruit was a narcotic and aphrodisiac when high Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind He also explains the causes of human disasters and suffering This book will change your life **The Young Woman's Journal**, 1908 **The Person in the Mirror** George A. Goens, 2019-10-31 Each individual is a unique person In reality education today should help students answer two fundamental life questions Who am I and Why am I here Understanding who they are as individuals and what motivates them leads to a life of purpose and happiness Without coming to grips with these questions life can be vacant and void of meaning A good life is predicated in part on understanding these questions These questions are fundamental and affect all aspects of life Everyone must come to terms with them throughout each phase of life They provide the foundation for introspection and understanding necessary to pursue a life of meaning What kind of education do students need to begin to think about who they are and how they can find significance in their lives Both are essential to enable a life of happiness freedom and success To deal with inevitable change each individual must have a sense of self and purpose
