How They Make It Work... 21 Habits of a Successful Marriage Ed Wimberly, 2020-02-14 Throughout the course of my 45 years in private practice I have at times wondered how it is that some couples do so well beyond therapy and on their own to improve and progress while others who initially improve through the counseling process seem to fall back into many of their old and self defeating habits It took me a while but I now understand that often those couples who fall back into their old destructive habits usually do so because they neglect to replace them with new and productive ones Removing dysfunctional habits must be followed by developing new and healthy habits *How They Make it Work* addresses 21 new habits I have consistently observed through follow up contacts that seem to help couples continue to thrive and to grow on their own beyond professional intervention At the end of each of the 21 chapters are several questions designed to help you process together the new habits that are being suggested here Since they have worked for others there

Guide to Lasting Love Reta Faye Walker, 2025-05-22

Your Love Is Meant to Last We just don't understand what happened It was so good in the beginning For master certified relationship counselor Reta Faye Walker this confession has been a repeated theme from disconnected couples for over twenty years Deeply informed by her own experience of divorce Walker knows that when a couple begins to anguish over the good times of the past their relationship has reached a critical juncture It's likely time to make the most important decision of the rest of their lives exit and seek a new temporary romance or engage in authentic conversation fueled by daring openness deep listening emotional insight endless curiosity and a desire to overcome any obstacle together Understanding that many people hold a fairy tale picture of love as a pretty lie built on the fickle recollection of honeymoon

ecstasy Walker shows us how building a foundation of understanding can help lead to true lasting love that grows richer by the day In Guide to Lasting Love A Therapist s 21 Day Program to a Fulfilling Relationship Walker teaches couples how to Move away from destructive criticism and toward constructive empathy Surmount the difficulties of personality differences and enjoy their rewards Effectively reduce their stress through team cooperation Investigate their unconscious agenda in order to set more reasonable expectations Reinvigorate intimacy with out of the box thinking Now happily married with credit to her own relationship strategies Walker knows firsthand that just because bonds break does not mean they are meant to be broken they re just waiting for the real conversation and the possibility for love s lasting return to begin
