

3-5 Force & Motion TEACHER GUIDE

How to Use your Field Trip Guide

Field Trip Guides provide structure and suggestions on a per-teacher basis within ECDM's exhibition space. This will allow you, your students and your experiences to be personalized to address outcomes and objectives from. The suggestions are helpful in selecting goals for your visit. These goals may include reviewing aspects of your science curriculum, understanding which topics to be a priority, or sharing your students that science learning can be used everywhere. If your focus particular curriculum goals, use this Field Trip Guide to connect what you are doing in your classroom with our per visit activities. The recommended visiting times of the ScienceCenter Miami for each of your experiences, so that they can guide the students through the exhibits and help record observations. Our ScienceCenter Miami are designed to be comprehensive, and focus on critical skills and scientific thinking. As a result, there may not be one experience for each of the topics. This means you will not find an overview for any of the ScienceCenter Miami. Instead, you'll find descriptions for science concepts that are from your experiences. If you feel you need more clarification, you can always contact us at fieldtrip@ecdm.org.

ECDM is a big place. As a result, you may not see everything in one day. Take your time, don't rush, and allow your students to explore the things that they find interesting. Allow them to be in a guided tour to the most interesting, so they can get involved in an experience. Rather than trying to see everything, select just a few areas to spend your day. This will save time, but you will learn more.

Exhibits related to Force & Motion

ECDM is a great place to learn about force and motion. Below are descriptions of exhibits related to force and motion. Push, pull, stress, and weight are all related to force and motion. These will find them in Exhibits, Chambers, Big Science Hall, Space, and the Hallways. They may sometimes consider making a reservation for one of the following experiences to enhance your experience of force & motion. All shows require a reservation.

The Exhibit: The Show - This dynamic demonstration includes potential and kinetic energy, force and motion, and mechanical systems. Science can be ECDM Reservation for up to 200 people at ECDM times.

The Exhibit: Call - Your group can spend some time in the Exhibit Call taking staff support in using our own science center. Reservations available for groups of 4 or less.
