What You'll Need

- 33 white bands
- 6 teal bands
- 6 red bands
- 6 neon orange bands
- 6 yellow bands
- 6 lime green bands
- 6 turquoise bands
- 6 purple bands
- 1 white finishing band
- 1 clip

Look!

Load It Up!

Loading this loom is pretty easy. Place a starting band on the bottom, load up the left column, then load up the right column. Then, create the starbursts with six bands each. Make sure you go in exactly the order shown. The last step is to add one double-looped band to the single peg in the center of each of the starbursts; then add one to the top middle peg as well (Steps 4-6-8). There's nothing tricky about this (just say the band into the peg and then loop it on again, as if you're tying your shoelaces with chain links).

Get Loopin'

1 Turn the loom so the arrow faces down. Push your hook down into the groove of the bottom middle peg, and hook the first band beneath the double-looped band in the bracelet (it's purple). Loop the band to the peg directly above it.

2 Next, push your hook down into the groove of the center of the first starburst. Hook the band that is stretched from the center of the starburst down to the right. In the bracelet, it's turquoise/white, so you push your hook down through the white double-looped band.

3 Loop the band you hooked to the peg to the bottom right; the peg it came from. The first band is the hardest to get right in each starburst.

4 Push your hook into the groove of the center peg of the starburst and hook the next band down, which is the one that is stretched from the center of the starburst up to the right. Loop it to the peg to the upper right.
