Reinking, Robert Von Der Osten, 2006-12 Now in its eighth edition, the authors of *Strategies for Successful Writing*, a Rhetoric Research Guide, Reader, and Handbook, have strived to achieve the same steadfast goals that have motivated them from the beginning: create a rhetorically organized writing guide that combines four books into one convenient and flexible teaching tool while offering students an exceptional value. By having at their disposal a comprehensive textbook that offers ample material for a full-year composition course, instructors teaching a one-term course can make various selections from Chapters 1-17 from whatever types of specialized writing suits

the needs of their students and from the appropriate essays in the reader As well because the authors believe strongly that an effective composition textbook should address students directly they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about writing and provides a model for their own prose This style complements the authors' strong student-based approach to writing and together they help create a text that genuinely meets student needs *AB Bookman's Weekly*, 1998

**Making the Journey** Leila Christenbury, 2006 *Making the Journey* is a staple of secondary English methods courses and teacher libraries because it not only provides practical advice on what to do in the classroom and how to act but also offers a realistic but optimistic sense of what it means to embrace the practice of good teaching Now trusted educator, writer, and researcher Leila Christenbury has returned with a remarkable new edition of her classic The third edition of *Making the Journey* will be both refreshingly new and satisfyingly familiar to those who've come to rely on Christenbury's wisdom and uncommon common sense Every chapter has been revised and updated with new examples, the latest research, and stories from today's classrooms Even more important, Christenbury has devoted new sections to discussing instructional and political topics crucial to the contemporary teacher, including supporting English language learners, developing students' ability to write on demand, meeting the challenge of high-stakes standardized testing, balancing depth of coverage with breadth in standards-based curricular planning, creating tests and other assessments that align with curricular goals, and provide useful information for subsequent instruction, engaging students' reading interests through nontraditional real-world genres like graphic novels, teaching writing and media literacy through digital-age innovations such as blogs and WebQuests, navigating the politics of school while remaining an activist professional With the latest smartest strategies, techniques, and ideas, as well as Leila Christenbury's trademark pragmatism and know-how, the third edition of *Making the Journey* will be an indispensable guide for anyone just starting their own journey into teaching or for anyone already on their way *Cosmopolitan*, 1977
