Heine the major German poet of Jewish origin of the age published a book on Ludwig Borne the major German political writer of Jewish origin of the period who had died three years before. Regarded by Heine and others as his best written book it was also his most disastrously conceived. Intended to recover the high ground of revolutionary principle and philosophy against the attacks mounted on him by Borne and his supporters the book was instead met by a storm of outrage from which it seemed Heine's reputation might never recover. In the course of time the evaluation was reversed. Heine was increasingly celebrated as a true herald of revolution. His vocabulary of Hellenism and Nazarenism employed for the first time in Borne was transmitted into English usage by Matthew Arnold. But Borne itself is Heine's only major work that has never been fully translated into English. The commentary to the edition clarifies the conflict between the two most prominent German Jewish public intellectuals of their time, corrects the misapprehensions constantly in circulation about their relationship and the book and reveals the many peculiarities of the text. Jeffrey L. Sammons is Leavenworth Professor of German Emeritus at Yale University and the author of four books on Heine.

**The Other Bible Code** Val Pym, 2010-09-02 Book Overview What does the future hold for Planet Earth? That is the critical question for these troubled times. Christians believe that the Bible holds the answer. Ultimately the Kingdom of God will come On Earth as it is in Heaven. That much is certain, however just how and when that will happen is often the subject of debate. In *The Other Bible Code* the author shows that God has encrypted the destiny of the Church and the world into the history of His chosen people Israel. This Code brings breakthrough revelation which will encourage the Church to rise up and fulfil its destiny in the Earth. The Church of Jesus Christ is the instrument through which God works to fulfil His purposes in the world. Events in Israel's history will guide us on whom the ends of the ages have come. 1 Corinthians 10:11. The Code shows that we are living in very significant times and though the future holds much upheaval there is also great victory and glory ahead for the Church. Kirkus Reviews Pym, a retired lay pastor, offers a new perspective on interpreting the Bible to determine what will happen during the end times and how Christians should focus their efforts now in light of that ultimate destiny. Pym's prose is clear and she cites scripture regularly in order to support her interpretation. The topics Pym discusses are inherently controversial; many readers will be in for an argument. Others will find themselves renewed and inspired in their efforts to live out their faith in a meaningful way that will change the world. For readers fascinated by the end times or typology this book will offer a somewhat unusual perspective. CALEB Reviews *The Other Bible Code* is a well researched and informative book which ties together the Hebrew and Christian Scriptures in fascinating and soundly Biblical ways. It makes plain many hidden concepts in the Bible and brings them out of the shadows and exposes them to the light. Crystal M. Lindsey, Sister Crystal Mary Lindsey As you read this book the eyes of your heart will be opened. To me it felt like a light had been turned on in my mind as I recognised the TRUTH in what she had written. I was amazed why hadn't I seen this before. As I read this book I felt a stirring and an discernment of how important Israel's role is to Christ's return. Read it and find out for
