[The Student's Guide to Writing Essays](#) David Roberts, 1997. First Published in 1997. Routledge is an imprint of Taylor & Francis, an information company. [The Essential Guide to Writing History Essays](#) Katherine Pickering Antonova, 2020. The Essential Guide to Writing History Essays is a step-by-step guide to the typical assignments of any undergraduate or master's level history program in North America. Effective writing is a process of discovery achieved through the continual act of making choices: what to include or exclude, how to order elements, and which style to choose, each according to the author's goals and the intended audience. The book integrates reading and specialized vocabulary with writing and revision and addresses the evolving nature of digital media while teaching the terms and logic of traditional sources and the reasons for citation, as well as the styles. This approach to writing not only helps students produce an effective final product and build from writing simple short essays to completing a full research thesis, it also teaches students why and how an essay is effective, empowering them to approach new writing challenges with the freedom to find their own voice. [Writing Essays and Reports](#) Stephen McLaren, 2001. This book is your easy guide to preparing essays and reports for high school, TAFE, university, or business, setting up a timeline for writing essays and reports, research techniques, structuring your work clearly and effectively, drafting, editing, and rewriting, referencing other material in your work, grammar, punctuation, and language issues. **How To Write Essays** Don Shiach, 2009-01-30.
