Holy Men Of Mount Athos Dumbarton Oaks Medieval Library:

Holy Men of Mount Athos Richard P. H. Greenfield, Alice-Mary Talbot, 2016-04-30 Mount Athos was the most famous center of Byzantine monasticism and remains the spiritual heart of the Orthodox Church today Holy Men of Mount Athos presents the Lives of five holy men who lived there at different times from the ninth century to the last decades of the Byzantine period in the early fifteenth century **Medieval Mount Athos between Wealth and Poverty**, 2024-11-18 These collected studies dedicated to the Orthodox monastic center of Mount Athos during the Middle Ages paint a compelling picture of the Holy Mountain's monastic communities as economic actors Mount Athos rich archival holdings allow both for the minute scrutiny of economic activity and the tracing of long term trends Not only were Hagiorite monasteries major players on a local level but they were also embedded within trans Mediterranean networks of patronage The unique status of Mount Athos as a semi autonomous monastic polity also influenced attitudes towards landholding as well as wealth and poverty more generally Contributors are Tinatin Chronz Zachary Chitwood Stefan Eichert Martina Filosa Mihai D Grigore Michel Kaplan Vladimer Kekelia Kirill A Maksimovi Zisis Melissakis Nicholas Melvani Vanessa R de Obald a Daniel Oltean Nina Richards Kostis Smyrlis Apolon Tabuashvili and Alexander Watzinger **The Oxford Handbook of Christian Monasticism** Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely **The Juggler of Notre Dame and the Medievalizing of Modernity** Jan M. Ziolkowski, 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after

dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski's work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Byzantine Childhood Oana-Maria Cojocaru, 2021-08-26 Byzantine Childhood examines the intricacies of growing up in medieval Byzantium children's everyday experiences and their agency By piecing together a wide range of sources and utilising several methodological approaches inspired by intersectionality history from below and microhistory it analyses the life course of Byzantine boys and girls and how medieval Byzantine society perceived and treated them according to societal and cultural expectations surrounding age gender and status Ultimately it seeks to reconstruct a more plausible picture of the everyday life of children one of the most vulnerable social groups throughout history and often a neglected subject in scholarship Written in a lively and engaging manner this book is necessary reading for scholars and students of Byzantine history as well as those interested in the history of childhood and the family

Spatialities of Byzantine Culture from the Human Body to the Universe, 2022-11-14 Space Matters claimed Doreen Massey and John Allen at the heart of the Spatial Turn developments 1984 Compensating a four decades shortfall this collective volume is the first reader in Byzantine spatial studies It contextualizes the spatial turn in historical studies by means of interdisciplinary dialogue An introduction offers an up to date state of the art Twenty nine case studies provide a wide range of different conceptualizations of space in Byzantine culture articulated in a single collection through a variety of topics and approaches An afterword frames the future challenges of Byzantine spatial studies in a changing world where space is a claim and a precarious social value Contributors are Ilias Anagnostakis Alexander Beihammer Helena Bodin Darlene L Brooks Hedstrom B atrice Caseau Chevallier Paolo Cesaretti Michael J Decker Veronica della Dora Rico Franses Sauro Gelichi Adam J Goldwyn Basema Hamarneh Richard Hodges Brad Hostetler Adam Izdebski Liz James P Nick Kardulias Isabel Kimmelfield Tonia Kiousopoulou Johannes Koder Derek Krueger Tomasz Labuk Maria Leontsini Yulia Mantova Charis Messis Konstantinos Moustakas Margaret Mullett Ingela Nilsson Robert G Ousterhout Georgios Pallis Myrto Veikou Joanita

Vroom David Westberg and Enrico Zanini **The Akathistos Hymnos and Intermedial Compositional Processes in Later Byzantium** Jon C. Cubas Díaz, 2025-03-28 This book explores intermedial compositional processes in later Byzantium building on the Akathistos Hymnos The relationship between the hymn's text music and illustrations has yet to be explored in detail The contributions here argue that these painted cycles should be studied as a result of interaction between hymnography psalmody and visual art not just as mere illustration of text Highlighting illuminated and notated manuscript copies of the hymn as evidence for varied liturgical and devotional practices they examine how icons and murals based on the Akathistos functioned as constituent elements of sacred space Focusing on intermediality this book helps bridge methodological gaps between scholarly approaches to medieval culture *State and Society in the Palaiologan Era* Marie-Hélène Blanchet, Raúl Estangüi Gómez, 2025-04-09 Often described as a period of decline and decadence the history of the Byzantine Empire under the emperors of the Palaiologan dynasty 1261 1453 has undergone a considerable historiographical revival that has allowed this deeply negative image to be nuanced State and Society in the Palaiologan Era brings together articles by some of the best specialists in the field and addresses various aspects of the functioning of the Byzantine state and society in the Palaiologan period These contributions reflect not only the dynamism of the Byzantine society but also the divisions and challenges created by the deep transformations in the socioeconomic conditions of the time and by the Ottoman conquest of the Byzantine territory They show the capacity of the Byzantine state and institutions to adapt to a new political context one of territorial shrinkage and instability as well as the consequences of this instability for the society of the time for its economic and charitable activities for its spirituality and beliefs and for the splits and conflicts opposing different categories of social actors This book aims to provide researchers with a series of studies whose methodology and results offer new insights into the complex often contradictory phenomena that ran through the Byzantine world during the Palaiologan period This collection of chapters will thus prove useful to all those interested in the Byzantine Empire at the end of the Middle Ages Drugs in the Medieval Mediterranean Petros Bouras-Vallianatos, Dionysios Sthakopoulos, 2023-11-02 In this volume a distinguished international team of scholars examines the history of drugs within all the major medical traditions of the medieval Mediterranean namely Byzantine Islamicate Jewish and Latin and in so doing analyses a considerable number of previously unedited or barely explored texts A Mediterranean wide perspective permits a deeper understanding of broader phenomena such as the transfer of scientific knowledge and cultural exchange by looking beyond single linguistic traditions or political boundaries It also highlights the diversity and vitality of the medieval Mediterranean pharmacological tradition which through its close links with cookery alchemy magic religion and philosophy had to be able to adapt to multiple contexts not least to changing social and political realities as in the case of drugs as diplomatic gifts *Thesaurus Linguae Graecae* Maria C. Pantelia, 2022-04-26 The Thesaurus Linguae Graecae A Bibliographic Guide to the Canon of Greek Authors and Works TLG is a comprehensive catalog of the authors and works that

have survived in Greek from antiquity eighth century BCE to the present era and have been collected and digitized by the TLG in its fifty year history It provides biographical information about each author such as dates place of birth and literary activity as well as a list of their extant works and print publications This volume encompasses more than 4 400 authors and 17 000 individual works It offers a concise and authoritative literary history of Greek literature and is an indispensable reference source for its study

The Greek Language after Antiquity David Holton,Io Manolassou,2025-03-31 The Greek Language after Antiquity offers an in depth look at the diachrony of the Greek language focusing on a period relatively neglected by modern scholarship the more than 1 000 years between the end of Antiquity and the early modern period These studies written by experts in the field target different levels of analysis phonology morphology semantics lexicon dialectology sociolinguistics combining substantial primary data with various theoretical approaches It begins with a radical proposal for a different approach to the historical linguistics of Greek focused on the process of language diversification as opposed to the traditional genetic approach to dialect emergence Other topics include register variation in Byzantine literature crucial for understanding the subsequent evolution of a written standard morphological variation in conjunction with problems of textual transmission in medieval and early modern vernacular texts with special focus on the notion of philology evidence for language contact in the Late Medieval period and the use of graphemic evidence i e spelling to detect changes in pronunciation over a long time span Two chapters examine issues of word formation one presents a new research project on diachronic derivational morphology the other examines compound formation in the Cretan dialect The final chapter examines theoretical and methodological issues in studying the historical semantics of Greek This book is essential reading for researchers in Greek historical linguistics and especially useful for students teachers and researchers in Classics Byzantine studies and general linguistics with important connections to the historical linguistics and text critical studies of other languages particularly Romance and Turkish

Mountain Dialogues from Antiquity to Modernity Dawn Hollis,Jason König,2021-05-06 Throughout the longue dure of Western culture how have people represented mountains as landscapes of the imagination and as places of real experience In what ways has human understanding of mountains changed or stayed the same Mountain Dialogues from Antiquity to Modernity opens up a new conversation between ancient and modern engagements with mountains It highlights the ongoing relevance of ancient understandings of mountain environments to the postclassical and present day world while also suggesting ways in which modern approaches to landscape can generate new questions about premodern responses It brings together experts from across many different disciplines and periods offering case studies on topics ranging from classical Greek drama to Renaissance art and from early modern natural philosophy to nineteenth century travel writing Throughout essays engage with key themes of temporality knowledge identity and experience in the mountain landscape As a whole the volume suggests that modern responses to mountains participate in rhetorical and experiential patterns that stretch right

back to the ancient Mediterranean It also makes the case for collaborative cross period research as a route both for understanding human relations with the natural world in the past and informing them in the present **The Author in Middle Byzantine Literature** Aglae Pizzone,2014-10-24 Author and authorship have become increasingly important concepts in Byzantine literary studies This volume provides the first comprehensive survey on strategies of authorship in Middle Byzantine literature and investigates the interaction between self presentation and cultural production in a wide array of genres providing new insights into how Byzantine intellectuals conceived of their own work and pursuits **The Jaharis Gospel Lectionary** John Lowden,2009 Until 2008 the Jaharis Lectionary was a hidden treasure an illuminated Byzantine manuscript that was almost entirely unknown even to scholars Superbly preserved it is arguably the most important Byzantine work to come to the Metropolitan Museum s renowned collection since the 1917 gifts of J Pierpont Morgan It represents the apogee of Constantinopolitan craftsmanship around the year 1100 In this important study John Lowden a leading expert on Byzantine manuscripts discusses his discoveries about this extraordinary manuscript within the broader context of Byzantine book illumination He traces the book s history from its acquisition to its production in Constantinople By detailed analysis and comparison the author shows how the manuscript was made for use in the patriarchal church of Hagia Sophia **Natural Materials of the Holy Land and the Visual Translation of Place, 500-1500** Renana Bartal,Neta Bodner,Bianca Kuhnel,2017-04-21 Since early Christianity wood earth water and stone were taken from loca sancta to signify them elsewhere Unlike textual or visual representations natural materials not only represent the Holy Land they are part of it This book examines the processes of their sanctification and how although inherently abstract they become charged with meaning **The Travels of Cristoforo Buondelmonti and Ciriaco d'Ancona in the Aegean Sea** Eleni Tounta,2024-07-19 This book explores the travels of Cristoforo Buondelmonti and Ciriaco d'Ancona to the Greek lands in the early fifteenth century eastern Mediterranean Drawing on post colonial studies frameworks such as travel writing and imaginative geographies this volume offers an innovative examination of colonial discursive and cultural practices within the Latin dominions in the Greek lands It sheds light on their contributions to the conceptualisation of both the Italian metropolitan space and the Greek identity of the colonised This volume investigates how Cristoforo s and Ciriaco s travel narratives utilised conceptual tools and representation systems of early humanism to support Latin political and economic interests in the eastern Mediterranean It delves into the imaginative geographies of Venetian Crete the islands of the archipelago Constantinople the Byzantine Despotate of the Morea and portrayals of the Ottomans as constructed by the two travelers offering insights into the interaction of Latin humanistic and colonial discourses and the agency of travellers in shaping the colonial space The book will be of value to scholars undergraduate and postgraduate students across various research fields including Renaissance and postcolonial studies travel literature Latin dominions in the Aegean Byzantine and Ottoman histories **Icons of Space** Jelena Bogdanović,2021-07-26 Icons of Space Advances in Hierotopy brings together

important scholars of Byzantine religion art and architecture to honour the work of renowned art historian Alexei Lidov As well as his numerous publications Lidov is well known for developing the concept of hierotopy an innovative approach for studying the creation of sacred spaces Hierotopy and the related concepts of spatial icons and image paradigms emphasize fundamental questions about icons including what defines them as structures spaces and experiences Chapters in this volume engage with the overarching theme of icons of space by employing contrasting and complementing methods of hierotopy with more traditional approaches such as iconography Examinations of icons have traditionally been positioned within strictly historical theological socio economic political and art history domains but this volume poses epistemological questions about the creation of sacred spaces that are instead inclusive of multi layered iconic ideas and the lived experiences of the creators and beholders of such spaces This book contributes to image theory and theories of architecture and sacred space Simultaneously it moves beyond colonial studies that predominantly focus on questions of religion and politics as expressions of privileged knowledge and power This book will appeal to scholars and students of Byzantine history as well as those interested in hierotopy and art history
