Goto, 2016-02-10 Believers and teachers of faith regularly know the in breaking of God's Spirit in their midst when revelatory experiencing unexpectedly shifts habits of thinking feeling and doing toward more life giving ways of being and becoming When the moment is right Spirit breathes new life into dry bones Though religious educators have much practical wisdom about facilitating learning that is creative and transformative sharper concepts cases and theory can help them do it more critically and assist learners to practice openness to wonder surprise and authenticity *The Grace of Playing* explains how we can create the conditions for revelatory experiencing by understanding it in light of playing The notion of playing as if can be powerfully reclaimed from ecclesial ambivalence casual speech and commercial interests that often lead playing to be associated with childishness frivolity or entertainment This book theorizes adults playing for the sake of faith drawing on D W Winnicott's psychoanalytic theory a revision of Jurgen Moltmann's theology of play biblical texts medieval devotional practices as well as art and aesthetics that help local faith communities engage in theological reflection Communal forms of playing in at God's new creation provide insights into pedagogies in which learners are creating and are created anew **Open** Brad R. Braxton, 2023-04-04 In *Open* Brad Braxton boldly articulates an open theology progressive approaches that promote unorthodox theological reflection and the creation of inclusive communities Despite attempts by many right wing politicians and conservative Christians to curtail diverse religious and cultural expressions an open embrace of pluralism enhances Christianity's capacity to foster healing hope and restorative justice Thus Christian communities should be audaciously open about being open Attempts to box in God diminish us spiritually and render us prone to small mindedness and mean spiritedness Certain Christians function as if God cannot withstand robust engagement with the complexities of a diverse world God does not need to be protected by religious fence building and cultural gatekeeping To honor an open God who delights in diversity we should create open communities committed to radically inclusive love This book engages serious even controversial topics including Jesus's identity reparations for slavery LGBTQ equality the Black Lives Matter movement warfare and non violence environmental justice and interreligious collaboration Insisting that there is room for all an open theology empowers us to create broad spaces where people from diverse backgrounds with divergent beliefs can peacefully probe their differences and celebrate their similarities for the sake of a better world If you are tired of closed minded religion

that sows division and hatred open this book If you are searching for compassionate spirituality that promotes inclusion and justice open this book Here you will find an open theology creative thinking about God and courageous practices for building diverse communities through radically inclusive love **Alter Girl** Andrea Syverson,2017-09-05 Join one woman on a spiritual journey in around and through the church on her way to a deeper connection to Jesus Andrea Syverson was raised Catholic As in really Catholic from plaid jumpers to early morning Mass to meatless Fridays And then she did the unthinkable She fell in love with a non Catholic man whose questions about her faith she simply couldn't answer What's a good Catholic girl to do Frequently whimsical often profound always honest Andrea shares her spiritual journey one that feels familiar to anyone seeking Jesus It's a jumbled jaunt from religion to relationship from going to church to being the church Whether you love church or are done with it or you're simply seeking a more authentic relationship with Jesus Andrea has something to say to you You'll enjoy A compelling story of Jesus' relentless pursuit of those who desire to know him An upbeat honest glimpse at how church does or doesn't welcome those who come seeking answers Reflective devotions and journaling space at the end that draw you deeper toward your heart of faith Inspiration that you too can find your way to a deeper more transforming relationship with Jesus **Say Yes to Grace** Kirk Byron Jones,2012-02-01 Get inspired with thought provoking and heartwarming quotes A leaf said to me as it fell I'm not falling I'm flying Dare to soar joyfully in this new day because each day an angel comes to us arms wide open bearing God's infinite grace Sometimes we can't see grace because we're standing right smack in the middle of it Take heart no trial lasts forever and there's a lesson in every storm For a long moment step away from all the you shoulds and savor you as you are now The heaviest thing in the world to carry is a grudge Give grace a chance **Nurture the Wow** Danya Ruttenberg,2016-04-19 A deeply affecting funny insightful meditation that challenges readers to find the spiritual meaning of parenting Every day parents are bombarded by demands The pressures of work and life are relentless our children's needs are often impossible to meet and we rarely if ever allow ourselves the time and attention necessary to satisfy our own inner longings Parenthood is difficult demanding and draining And yet argues Rabbi Danya Ruttenberg if we can approach it from a different mindset perhaps the work of parenting itself can offer the solace we seek Rooted in Judaism but incorporating a wide range of religious and literary traditions Nurture the Wow asks Can ancient ideas about relationships drudgery pain devotion and purpose help make the hard parts of a parent's job easier and the magical stuff even more so Ruttenberg shows how parenting can be considered a spiritual practice and how seeing it that way can lead to transformation This is a parenthood book not a parenting book it shows how the experiences we have as parents can change us for the better Enlightening uplifting and laugh out loud funny Nurture the Wow reveals how parenthood in all its crazy making rage inducing awe and joy filled moments can actually be the path to living fully authentically and soulfully **Fulfilled** Kirk Byron Jones,2013-09-17 Leadership can be mentally emotionally and spiritually exhausting The pace is relentless The expectations are weighty The challenges are daunting But it is possible to live and lead

a new way with that deep sense of contentment that all leaders yearn for It is possible to be fulfilled even today Fulfilled articulates a new approach for the exhausted leader This Christian theology of leadership is based on three inner capacities which every leader already possesses but which most of us simply ignore or disregard the capacity for stillness awareness and playfulness The author examines these capacities and shows the reader how draw upon them in daily life Vibrant leadership taps into this wellspring of inner capacities continually available to every leader It is not the exclusive possession of the gifted faithful few but is a grace provided for all The fulfilled leader lives in wisdom peace and joy and is successful in all the most important ways
