Catechist Companion Ida Peterfy, 2009 ... **Select Notes on the International Sunday School Lessons ...** , 1903

Being an Intergenerational Church Suzi Farrant, Darren Philip, 2023-08-31 There is a growing realisation across mainstream churches that age segregated models of connecting with children young people and families are not working Drawing on their extensive experience Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be In conversation with the writings of Dietrich Bonhoeffer they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church Through an exploration of the Christian practices of humility hospitality participation discipleship joy worship discernment and testimony they call the church to re discover its DNA as an all age community of transformation David, King of Israel. Patterned by Grace Daniel T. Benedict Jr., 2007-02-01 To many the word liturgy brings to mind juggling a hymnal Bible and a bulletin printed with formal responsive texts as you worship in a cavernous Gothic styled church With great faith and affection Benedict rescues liturgy from its stuffy associations revealing it as a momentous occasion every Sunday no matter the worship style Worship is a remarkable spiritual adventure and the liturgy itself is God s playground a pilgrimage of individuals and faith communities joining the divine purpose Through the liturgy s daily weekly seasonal and annual dimensions we experience God s power to shape our lives We unite with Christ in heart mind and work to participate in God s new creation Liturgy is more than personal piety writes Benedict It is worship for the long haul It simply goes on week by week and invites us to come along It even carries us when our spiritual feet get tired and our energy level flags Rather than seeing the ordered patterns of worship as a repetitive thing we do liturgy has a cumulative effect as it transforms us to God oriented worship and living Benedict examines the hidden rhythms of Sunday worship Holy Communion baptism daily prayer the Christian calendar Exercises contained in the group discussion guide will awaken your imagination to the power of the liturgical life Liturgy is where God is waiting Your part is to include yourself in that community of open hands hearts and minds Rhythms of Grace Year 1 Linda Snyder, Audrey Scanlan, 2010-07 Rhythms of Grace is a unique innovative and cutting edge program resource designed to meet the spiritual needs of children and families living with autism spectrum disorders Participant families gather monthly with program leaders and volunteers for sessions that are a hybrid of worship and faith formation This book helps children and their families feel at the center of a worship formation experience that is specific to their needs and circumstances rather than merely at the margins of even a conventionally inclusive program of worship or faith formation The whole Rhythms of Grace curriculum consists of a 3 year syllabus of distinct scripture based session plans This volume Year 1 includes complete plans for 12 monthly sessions and 6 feast sessions as well as the
