Address, Right Package Bonnie R. Paulson,2025-08-01 I m Alex a tough as nails motorcycle repo specialist who can handle any angry customer except apparently one mysterious artist named Alexander Glass His packages keep showing up at my house and I m getting tired of playing unwilling mail service So I do what any reasonable woman would do I track him down Big mistake Xander Glass is brooding talented and completely unimpressed by my arrival on his doorstep with an armload of his misdelivered art supplies He s also devastatingly attractive in that tortured artist way that should come with a warning label Even bigger mistake I can t seem to stay away What starts as returning packages turns into fixing his equipment which turns into watching him work which turns into feelings I definitely didn t sign up for But every time we get close his sophisticated ex wife appears to remind me that girls like me don t belong in his refined art world She s probably right I mean what does a motorcycle mechanic know about gallery openings and Italian art residencies But when Xander gets the opportunity of a lifetime six months studying in Florence everything changes Now I have to decide am I brave enough to follow my heart across an ocean or will I let fear send me back to my safe solitary life Sometimes the best love stories start with the wrong address *Essence's Divinity* Sylvia Hubbard,2025-01-01 Osirus was supposed to be gone a powerful

Historical Society,2011-04-25 Sunnyvale has been a place for forward thinking and innovation since its founding in 1861

when Irish immigrant Martin Murphy Jr allowed a new railroad to pass through his land By linking San Jose's farms to San Francisco's docks he did more than help overcome the muddy misery of travel on the El Camino Real The whistle stop first known as Encinal quickly grew into a center for agriculture followed by defense novel suburban development and high technology Sunnyvale is a place where names like Del Monte Hendy Lockheed Atari and Yahoo have each carried their day Yet the city's relentless drive forward has made a sense of identity elusive The downtown core has been rebuilt numerous times without much success and examples abound of historic structures torn down for something new But lately the town has gotten its groove back The restored city center now draws a crowd and thanks to a 50 year effort the rebuilt Murphy house shimmers in the sun once again
