weapons are effective Now he exposes the best strategies to battle as per the Word of God as a weapon of attack The best strategy in a battle is the offensive But when we are dealing with the enemy we must outnumber him three times more The weapons must be used with full power in the combat front but supported by heavier and more accurate long range weapons We are part of an army where the General is Christ his number of celestial angels is three times higher His invincible power is the Trinity where the Father is unchangeable and indestructible the Son everlasting lives forever the Holy Spirit guarantees great power above any power existing on Earth or beyond The author in the first part of this book talks about real Me experiences since his childhood through his teen years youth and the early stages of his own family engagement and marriage the call to his ministry showing in a simple example how the Lord of the Harvest works through his servants as they present themselves as a living holy and pleasant sacrifice to him After 30 years as a minister since the early 60s the Lords call for the author to be an Ambassador to more than 140 countries preaching the Gospel in several languages and dialects and being prepared for the Holy Spirits work in a very special way always trying to maintain his self control studying all the manifestations of the power of the Holy Spirit and of the glory of the Throne of God through the mediation of our Lord of lords Jesus Christ our supreme Master Savior and King Sharing his personal testimony of three decades of victory to the glory of Jesus in the word of testimony logos and of the word of faith rhema the author intends to establish the link between the authority of the word logos witnessed through the ages and the circumstances when the Lord delivers his power so as to make us more than conquerors It is essential therefore that each soldier of Christ become a brave warrior who correctly handles the armor of God Each Christian is under the foreknowledge of God from birth to death The heavenly Father knows his children in their mothers womb like Jeremiah Jeremiah 1 5 Thus all who are called are chosen however only a few respond in a positive way to his call This is why Jesus said that a few are the chosen ones as in the case of the warriors who were not prepared for the battle Judges 7 2 9 [Subject Guide to Books in Print](#) ,1975 **The Atheist Who Didn't Exist (Fully Revised 10th Anniversary Edition)** Andy Bannister,2025-07-17 Does atheism really explain everything Can reasonable people take Christianity seriously During the early twenty first century New Atheism was busy producing best selling books and plastering adverts on the sides of buses Its loud scepticism is not as popular these days but many of its arguments live on Yet what if some of its common claims like science has buried God and religion is the cause of most wars are not just incorrect but demonstrably wrong What if Richard Dawkins and the other New Atheists were not merely barking up the wrong tree but were in the wrong forest entirely Andy Bannister brings you this fully updated and revised book with new chapters new resources and new comedy The Atheist Who Didn t Exist is designed for curious people to tug at the loose threads of atheism and see if it unravels
