The background of the book cover is a dark, atmospheric scene. A woman in a black, form-fitting dress stands in silhouette on the right side, her back to the viewer as she looks towards the left. In the lower-left foreground, a brown bear is lying down, its head resting on the ground. A large, bright full moon hangs in the dark sky above the woman. The overall mood is mysterious and suspenseful.

Mistress of New York City Bbw Paranormal Shape Shifter Romance (Bear Heat 2) Celine Sweeney, 2016-01-31 Mistress of New York City Indiana Miller was a nervous wreck. She hadn't seen her fiancé Mitch since he was deployed to Afghanistan a year earlier and the mission he had been on was one that didn't allow him a lot of communication. Their letters had been few and far between and very short because of the censors but she'd gotten one a week before that told her he was coming home and that he needed to see her as soon as possible. This was the day and he should be arriving at any minute. He'd said that he'd be over to her place as soon as he could get released from duty by five at the latest and it was four forty nine. When she heard a car pull up out front she jumped and ran to the door and there he was. He looked spectacular in his uniform although to her he would have looked great in a ratty old blanket. She stood at the door and stared as he ascended the steps of her mom's old house and then he was there in front of her and she reached out to throw her arms around him.
