Klein, 2017 This book provides an in depth analysis of representations of female murderers in modern American drama Paying close attention to the plays plot form and style the study seeks to come to terms with the dramatic and cultural function of this phenomenon Given the rarity of female murder in real life the popularity and prevalence of this theme in culture is striking and unsettling at the same time After all a woman who kills not only violates against basic social rules but also upsets gender norms This potential to break with an ideology that rests on hierarchically structured gender binaries equips the figure of the female murderer with the power to symbolically kill established views about gender and sexuality It is this ideologically disruptive potential that makes the female murderer a fascinating object of study as her cultural figuration may provide information about the meaning assigned to women at a certain historical moment **The Classical World** , 1924 *Jean Toomer and the Terrors of American History* Charles Scruggs, Lee VanDemarr, 2016-11-11 Jean Toomer's *Cane* was the first major text of the Harlem Renaissance and the first important modernist text by an African American writer It powerfully depicts the terror in the history of American race relations a public world of lynchings race riots and Jim Crow and a private world of internalized conflict over identity and race which mirrored struggles in the culture at large Toomer's own life reflected that internal conflict and he has been an ambiguous figure in literary history an author who wrote a text that had a tremendous impact on African American authors but who eventually tried to distance himself from *Cane* and from his identification as a black writer In *Jean Toomer and the Terrors of American History* Charles Scruggs and Lee VanDemarr examine original sources Toomer's rediscovered early writings on politics and race his extensive correspondence with Waldo Frank and unpublished portions of his autobiographies to show how the cultural wars of the 1920s influenced the shaping of Toomer's book and his subsequent efforts to escape the racial definitions of American society That those definitions remain crucial for American society even today is one reason Toomer's work continues to fascinate and to influence contemporary writers and readers **Books in Series** , 1985 Vols for 1980 issued in three parts Series Authors and Titles **Charles Dickens - The Man Behind the Classics: Autobiographical Novels, Stories, Memoirs, Letters & Biographies** Charles Dickens, 2017-10-16 This unique collection of Charles Dickens *The Man Behind the Classics Autobiographical Novels Stories Memoirs Letters Biographies* has been designed and formatted to the highest digital standards Contents *David Copperfield Sketches by Boz The Beadle The Parish Engine The Schoolmaster The Curate The Old Lady The Half pay Captain The Four Sisters The Election for Beadle The Broker's Man The Ladies Societies Our Next door Neighbour The Streets morning The Streets night Shops and their Tenants Scotland Yard Seven Dials Meditations in Monmouth Street Hackney coach Stands Doctors Commons London Recreations The River Astley's Greenwich Fair Private Theatres Vauxhall Gardens by Day Early Coaches Omnibuses The Last Cab driver A Parliamentary Sketch Public Dinners The*
