**Homecoming** Julie R. Wilson,2002 At first reading most Christians might dismiss the Book of Ruth as a simple story of romance and redemption an Old Testament tale with no bearing on their lives But in Julie Wilson s inspired retelling it becomes so much more She uses numerous New Testament Scriptures to show how the relationship of Naomi and Ruth is an allegory for how mature believers can disciple new believers and how the marriage of Ruth and Boaz foreshadows the relationship of Jesus with the Body of Christ Homecoming also demonstrates how the book of Ruth can help believers to regain spiritual footing after serious setbacks thereby serving as a healing balm for all who have been wounded by terrorism personal tragedy or scandals within the Church In twelve chapters each followed by Scripture study and reflection prompts this fascinating and multi layered book challenges readers to discern where they are in their relationship with the Lord and how to proceed to spiritual maturity Homecoming is for experienced students of the Bible as well as anyone who has ever said I just don t get the Old Testament After reading Homecoming you ll get it like never before Book jacket

**The Gaithers and Southern**

**Gospel** Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

Audio Visual Service,1995 **Clear Word Bible-OE** Review and Herald Publishing Association,2003 The Seductiveness of Virtue John J. Fitzgerald,2016-12-15 John J Fitzgerald addresses here one of life s enduring questions how to achieve personal fulfillment and more specifically whether we can do so through ethical conduct He focuses on two significant twentieth century theologians Rabbi Abraham Joshua Heschel and Pope John Paul II seeing both as fitting dialogue partners given the former s influence on the Second Vatican Council s deliberations on the Jews and the latter s groundbreaking overtures to the Jews in the wake of his experiences in Poland before and during World War II Fitzgerald demonstrates that Heschel and John Paul II both suggest that doing good generally leads us to growth in various components of personal fulfillment such as happiness meaning in life and freedom from selfish desires There are however some key differences between the two theologians John Paul II emphasizes more strongly the relationship between acting well and attaining eternal life whereas Heschel wrestles more openly with the possibility that religious commitment ultimately involves anxiety and sadness By examining historical and contemporary analyses including the work of the Fourteenth Dalai Lama the philosopher Peter Singer and some present day psychologists Fitzgerald builds a narrative that shows the promise and limits of Heschel s and John Paul II s views **Galut** Arnold M. Eisen,1986 Pt 1 deals with biblical and rabbinic texts on exile and

relations with non Jews Pt 2 deals with Zionism and the views of thinkers such as Herzl Jacob Klatzkin and Yehezkel Kaufmann who believed that secular messianism would solve the Jewish question and tended to view antisemitism as a natural response to the Jewish refusal to assimilate Examines changes in the perception of Jewish history as a result of the Holocaust and the establishment of the State of Israel      **Be Strong and Courageous** David Yount,2000 Be Strong and Courageous is the sequel to David Yount s Book of the Month bestseller Growing in Faith The popular syndicated columnist reassures believers and skeptics of all ages that having faith makes sense He shows how faith dignifies humanity giving fulfillment and heals the world As a parent writing letters to encourage and inspire his growing daughters Yount shows how Christians can face life s challenges with faith hope love and confidence Be Strong and Courageous shows how we can pass on our rich tradition of faith in a way that is revitalizing to inspire a new generation      **The Congregationalist** ,1927

Embracing Prodigals John Sanders,2020-07-31 Do you wonder why some people you know hold theological and political views that blow your mind but they find quite reasonable Today Christians are at odds over how to understand the Bible atonement and salvation of non Christians They are also polarized over issues such as same gender marriage income inequality and health care Two social science models Nurturant and Authoritative explain this divide Values are at the heart of our disagreements Nurturants prize empathy and cooperation while Authoritatives cherish obedience to law and order Each group has distinct core values and these lead them to embrace different theological moral and political views This book explains the divide and makes the case that Jesus embodied the Nurturant way of life He modeled empathy grace forgiveness and care for those beyond his own tribe The Nurturant and Authoritative approaches have competed for thousands of years but contemporary research shows that the Nurturant way of life produces better mental and spiritual health as well as superior communities in which to live
