DENNIS ALTMAN

"A really sensitive, lucid account of his personal liberation as well as a penetrating analysis of the political premises and goals and philosophical background of the movement."

THE NEW YORK TIMES

Homosexual Oppression Liberation

Matthew C. Gutmann

Homosexual Oppression Liberation:

Homosexual Dennis Altman, 1993-08 A pleasure a really sensitive lucid account of his personal liberation a penetrating analysis of the political premises and goals and philosophical background of the movement The New York Times The one to read may very well be the most intelligible and best written books on the subject The Minneapolis Tribune When *Homosexual Oppression and Liberation* was first published in 1971 The New York Review of Books hailed it as the only work that bears comparison with the best to appear from Women's Liberation Time wrote that among the whole tumble of homosexuals who have come out of the closet perhaps best among these accounts is a book by Dennis Altman Long out of print *Homosexual Oppression and Liberation* remains a seminal work in the gay liberation movement Altman examines the different positions promoting gay liberation and recognizes the healthy diversity in these divisions Elaborating on the writers of the emergent movement James Baldwin Allen Ginsberg Christopher Isherwood Herbert Marcuse Kate Millett and others *Homosexual* suggests that we can nurture a common progressive movement out of our shared sexuality and experience of a heterosexist society Today in the age of AIDS ACT UP and Queer Nation the possibility of such commonality is of critical importance Jeffrey Weeks's new introduction places *Homosexual Oppression and Liberation* in its historical context while the author's new afterword examines its significance in light of today's lesbian and gay movement [Encyclopedia of Lesbian and Gay](#)

[Histories and Cultures](#) Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only

mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology Forging Gay Identities Elizabeth A. Armstrong,2002-12-15 Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences Forging Gay Identities explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s **Gay Artists in Modern American Culture** Michael S. Sherry,2007-09-10 Today it is widely recognized that gay men played a prominent role in defining the culture of mid twentieth century America with such icons as Tennessee Williams Edward Albee Aaron Copland Samuel Barber Montgomery Clift and Rock Hudson defining much of what seemed distinctly American on the stage and screen Even though few gay artists were out their sexuality caused significant anxiety during a time of rampant antihomosexual attitudes Michael Sherry offers a sophisticated analysis of the tension between the nation s simultaneous dependence on and fear of the cultural influence of gay artists Sherry places conspiracy theories about the homintern homosexual international taking control and debasing American culture within the paranoia of the time that included anticommunism anti Semitism and racism Gay artists he argues helped shape a lyrical often nationalist version of American modernism that served the nation s ambitions to create a cultural empire and win the Cold War Their success made them valuable to the country s cultural empire but also exposed them to rising antigay sentiment voiced even at the highest levels of power for example by President Richard Nixon Only late in the twentieth century Sherry concludes did suspicion slowly give way to an uneasy accommodation of gay artists place in American life *Changing Men and Masculinities in Latin America* Matthew C. Gutmann,2003-01-20 Essays drawn from a variety of disciplines both review and challenge current understandings of masculinity in Latin America *From Camp to Queer* Robert Reynolds,2002 In this important timely and deeply engaged book Robert Reynolds traces the passionate often turbulent courageous and committed ways in which homosexuals told their stories From camp to gay to the recent movement of queer from modern to post modern *American Homo* Jeffrey Escoffier,2018-10-02 A sweeping account of the way lesbian gay and bisexual people have challenged and changed society In this provocative book Jeffrey Escoffier tracks LGBT movements across the contested terrain of American political life where they have endured the historical tension between the homoeroticism coursing through American culture and the virulent periodic outbreaks of homophobic populism Escoffier explores how every new success enables a new disciplinary and normalizing form of domination only the active exercise of democratic rights and participation in radical coalitions allows LGBT people to sustain the benefits of community and the freedom of sexual perversity The Politics of Same-Sex Marriage Craig A. Rimmerman,Clyde Wilcox,2007-10 Same sex marriage emerged in 2004 as one of the hottest issues of the campaign season But in a severe blow to gay rights advocates all eleven states that had the issue on the ballot passed amendments banning the practice and the subject soon dropped off the media s radar This pattern of waxing and waning in the public eye has characterized the debate

over same sex marriage since 1996 and the passing of the Defense of Marriage Act Since then court rulings and local legislatures have kept the issue alive in the political sphere and conservatives and gay rights advocates have made the issue a key battlefield in the culture wars The Politics of Same Sex Marriage brings together an esteemed list of scholars to explore all facets of this heated issue including the ideologies and strategies on both sides of the argument the public s response the use of the issue in political campaigns and how same sex marriage fits into the broad context of policy cycles and windows of political opportunity With comprehensive coverage from a variety of different approaches this volume will be a vital sourcebook for activists politicians and scholars alike *Never Going Back* Thomas E. Warner,2002-01-01 Drawing on interviews with leading gay and lesbian activists across Canada Warner chronicles and analyzes a tumultuous grassroots struggle for sexual liberation legislated equality and fundamental social change *Gay Male Fiction Since Stonewall* Les Brookes,2008-09-22 Arguing that gay fiction is torn between assimilative and radical impulses this study focuses on fiction by White Holleran Leavitt Cunningham Hollinghurst Cooper Mars Jones and others positing the existence of two distinct strands of gay fiction where opposing impulses are at work within individual texts **The Greenwood Encyclopedia of LGBT Issues Worldwide** Chuck Stewart,2009-12-18 This set has an ambitious scope with the goal of offering the most up to date international overview of key issues in the lives of lesbian gay bisexual and transgender individuals HIV AIDS has been a major media focus but this set fosters a broader understanding of the status of LGBT individuals in their society More than 70 countries are represented The clear accessible prose is appropriate for high school student research on up The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations The content is useful for a paper on a hot topic health classes discussion groups and gay straight alliance groups **Born This Way** Joanna Wuest,2023-09-15 Across protests and courtrooms LGBTQ activists argue that true sex or sexuality is encoded deep down that it circulates in blood and is an expression of brain shapes and genetic codes Their opponents incite panic over luring child groomers and a contagious gender ideology which corrupts the brains and then bodies of susceptible teenagers In Born This Way Science Citizenship and Inequality in the American LGBTQ Movement Joanna Wuest tells the history of the LGBTQ rights movement the modern scientific study of gender and sexuality and the identity politics that formed at the nexus She too reveals how conservative leaders have undermined science s ability to assist equal rights campaigns reproductive rights and climate change policies alike Born This Way is at once a celebratory and cautionary tale one which delineates a minority rights movement s impressive victories its powerful and persuasive allies and the ongoing assault on equality and science alike *Culture, Society and Sexuality* Richard Guy Parker,Peter Aggleton,1999 This work offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research *The Boys in the Band* Matt Bell,2016-12-12 Scholars and students working in the disciplines of film studies queer studies history theater and sociology will surely find the book invaluable and a

shaping influence on these fields in the coming years **Lesbian and Gay Rights in Canada** Miriam Catherine Smith,1999-01-01 Using archival material that has largely been ignored as well as interviews with Canadian activists Smith investigates the ways in which the Canadian lesbian and gay movement has changed in response to the Charter of Rights and Freedoms *Encyclopedia of Lesbian Histories and Cultures* Bonnie Zimmerman,2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future Bi Any Other Name Lani Ka'ahumanu, Loraine Hutchins,2015-09-23 I am part of the generation that came of age when Bi Any Other Name was already in print This groundbreaking anthology gave me the language courage and sense of community I needed as a young queer woman Daisy Hernandez A Cup of Water Under My Bed The 25th Anniversary Edition Bi Any Other Name Bisexual People Speak Out first debuted in 1991 This groundbreaking book helped catalyze a national movement for bisexual identity justice and equality Often dubbed the bisexual bible Bi Any Other Name was on Lambda Book Review's Top 100 GLBT Books of the 20th century and became a beloved reference text in many classrooms doctors offices libraries and pulpits A 2007 Mandarin translation was published in Taiwan The new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought for bi people the larger society and the sexual rights and liberation movement of which we are a part When did you know How did you come out What was your experience The coming out stories in this book speak to the many ways bisexuals embrace realities outside rigid either/or categories throughout the passage of our lives Everyday stories of women men transgender bisexuals teenagers to octogenarians from many different cultures and family arrangements The fierce truth of these lives made visible puts a check on bisexual erasure exposing the binary constructions of gay straight and male female as oversimplifications that reduce spectrums to mere opposites Caught between the mainstream culture's persistent discounting of bisexuality the sensationalizing characterizations presented in media and the sexual liberation movement's continual disregard of bisexuality as a serious identity bisexual people are often not seen or heard when they speak out There is a vital need for

these earnest voices to be heard in the new century Enormous cultural changes have occurred in the past 25 years yes but understanding bisexualities has just begun Carry on Understudies Michelene Wandor,2004-07-31 one hell of a seminal read Here is a book that grapples with energy ingenuity and terrific intellectual rigour with a bewildering forest of issues around gender and politics illuminating insightful perceptive Women s Review *African American Psychology* Faye Z Belgrave, Kevin W Allison,2009-07-15 This core textbook provides students with comprehensive coverage of African American psychology as a field Each chapter integrates African and American influences on the psychology of African Americans thereby illustrating how contemporary values beliefs and behaviors are derived from African culture translated by the cultural socialization experiences of African Americans in this country The literature and research are referenced and discussed from the perspective of African culture mostly West African during the period of enslavement at other critical periods in this country e g early 20th century civil rights era and through the present Chapters provide a review of the research literature with a focus on applications for contemporary living
