Aim High Al LÓpez,2008-02-28 Book Description Since the beginning of mankind there have always been individuals who start life with disadvantages but by sighting their Aim High above mediocrity they have accomplished great things I chose the title Aim High for this book as an analogy to impress upon the readers that regardless of their beginnings by sighting their Aim High they can go on to be the best that they can be at whatever they want The key to success is first to

develop a desire for something What do you want out of life Once a desire is instilled within motivation follows and then you must write out a well thought out plan of action on how to do what you want to achieve then you must follow through with action I believe we all have a purpose in life The hard part is to find out what that something is What is your purpose The soul that has not established aim loses itself Montaigne 15331592 In the book Aim High I have done my best to present in sixteen steps guidance and stimulus for success Success does not happen immediately Achieving success happens by having a series of successes The first successes are small but as you move up one step at a time you will move up to accomplish higher and higher achievements Aim High is a self help book about self improvement I have written the sixteen step aim high path to personal achievement study guide in a way that I hope will help all who read it improve the quality of their lives We go through life making choices We have the capacity to direct our destiny by the choices we make In the Aim High book I have presented sixteen points I call steps Effort Example Enthusiasm Spiritual Physical Personal Encouragement Personality Financial Career Looks Speak Purpose Plan Belief Action These sixteen points provide guidance and serve as a stimulus for success through self motivation It is the awaking of the inner self to the potential that can be realized In order to reach your highest and fullest potential you must first have the courage to think to imagine to dream Dream What do you want for yourself out of life What do you desire The definition of desire in thesaurus is synonyms with hunger craving longing and yearning Desire will stoke your self motivation to do Your first priority is to decide and establish what you desire as your goal Goal setting is the single most important ingredient in self motivation that leads to achieving success Your next priority is to write out a specific plan of action about how you are going to achieve your goal and you should know why you want you desire it Then go after your goal with passion a burning desire within you To do it My grandson Ryan invited me to go to the movie The Empire Strikes Back I was impressed with what the Jedi teacher teaches his student about engaging the force that is the greatest power in the universe He tells his student that there is no try that there is either do or not do Another important ingredient necessary to achieve success is self confidence Self confidence is a by product of preparation and in order to succeed you must discipline yourself to establish the habit of doing what need to be done Now not tomorrow Affirm to yourself I have faith and belief in myself that I will achieve my goal because I expect to achieve it because I will work hard to do so and that no matter what the circumstances I will never give up Action is what produces results Do Power The thrust of Aim High is to implant the sixteen steps outlined in this book into your mind as seeds necessary for success We are all born with a powerful tool our brain and it is up to each and every one of us to learn how to use that powerful tool more efficiently and effectively On the cover of Aim High there is a red dot in the center That dot represents you and you are your own bulls eye To try to hit right in the center of the bulls ey *2007 Baseball Card Price Guide* Joe Clemens, 2007-04-27 Great price point of 21.99 and portable format provides easy access to essential data Just like a good infielder nothing gets by this popular baseball card reference 2007 Baseball Card Price Guide covers all regular baseball card issues from the 1980s to

The Guide to Reflective Practice in Conflict Resolution Michael Lang, 2024-08-22 This book is a commonsense guide to becoming a reflective practitioner written by a practitioner for practitioners This second edition is fully revised and updated incorporating extensive new material emphasizing hands on tools worksheets and guides along with practical advice for those interested in adopting reflective practice individually or in a group setting It also provides useful resources step by step instructions and more case studies and commentaries from practitioners Every person in a conflict resolution process sees the world differently and acts in a distinctive manner Yet by following well developed practice routines practitioners often fail to consider the unpredictability of human interactions and overlook behaviors that are inconsistent with their expectations To respond effectively to surprising and unpredictable events this book encourages practitioners to adapt their thinking so they can use their knowledge and skills when situations do not match their assumptions or are inconsistent with their practice routines This book also includes guest essays by Ava Abramowitz Jodie Grant Tzofnat Peleg Baker and Susanne Terry

Demystifying Economic Markets and Prices Gregory R. Woirol, 2019-09-03 From the price of a candy bar to the price of a house Woirol's book demystifies prices and markets Why do we use them how do they work and what can we do to make them work for us Some of the prices we come across every day cause us few problems while others seem mysterious frustrating and even unfair In this refreshing and entertaining approach to the dismal science Greg Woirol shows how we uniquely among living creatures use markets and prices to help organize our lives Ranging from the price of diamonds to cell phone plans high fashion scalped tickets Christmas gifts and much more chapters in *Demystifying Economic Markets and Prices* build on one another to explain hidden structural and behavioral patterns Woirol brings clarity to the arcane world of economics allowing readers to see patterns and meaning in a wide range of everyday prices and markets Along the way the

author gives advice about how best to address the issues and opportunities that markets create for consumers **The Cultural Encyclopedia of Baseball, 2d ed.** Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs The reach ,1912 Sport Realism Aaron Harper, 2022-07-26 In Sport Realism A Law Inspired Theory of Sport Aaron Harper defends a new theory of sport sport realism to show how rules traditions and officiating decisions define the way sport is played He argues that sport realism broadly inspired by elements of legal realism best explains how players coaches officials and fans participate in sport It accepts that decisions in sport will derive from a variety of reasons and influences which are taken into account by participants who aim to predict how officials will make future rulings Harper extends this theoretical work to normative topics applying sport realist analysis to numerous philosophical debates and ethical dilemmas in sport Later chapters include investigations into rules disputes strategic fouls replay and makeup calls as well as the issue of cheating in sport The numerous examples and case studies throughout the book provide a wide ranging and illuminating study of sport ranging from professional sports to pick up games
