Crescent, Plumbers Jared and Ben think they're in for another usual day of work with a few jobs scattered across the city. But they're ahead of schedule with no traffic to slow them down between sites. It seems as though everyone is staying home self-quarantining as cases of the new mirandavirus begin to rise across the country. Their last job of the day is at an adult shop swapping out the broken staff toilet with a new one. It's all going smoothly and then the shop girl coughs and the lone browsing customer flees in a panic. Not even fifteen minutes later a group of scared citizens is boarding up the shop's doors and windows not willing to let the new sickness spread to the rest of the town. Now Jared and Ben are trapped and nobody is coming to their rescue. All they have to kill the time and to distract themselves from the possibility that they might be infected are the movies, games, and clothes in that little store.
