

A GUIDE TO Bearstone

Will Hobbs

"The hurt you get over makes you stronger."

THE NOVEL AT A GLANCE

Bearstone is a contemporary story of the coming of age of an American Indian youth whose inner turmoil is resolved through his love of nature and the paternal guidance of an elderly farmer.

Setting: The mountains of Colorado, near the Continental Divide.

Protagonist: Cloyd Arcitty, a troubled, rebellious fourteen-year-old member of the Ute tribe.

Conflicts: The overall conflict that drives the novel stems from Cloyd's bitterness over his upbringing in a group home and his yearning for a real father. Almost as important are Cloyd's love of solitude in the wilderness and his need to learn to live with others.

Resolution: Cloyd finds in Walter, the rancher who befriends him, the father he needs. On the ranch with Walter, Cloyd reconciles his longing for the wild, isolated life in the mountains with his longing for love.

Themes: Forgiveness and compassion can conquer anger and hatred; a love of nature and animals can inspire a deeper understanding of human relationships.

SPECIAL CONSIDERATIONS

The novel should pose no problems to students reading at the middle school level. There is no violence and no offensive language or situations. The novel ends happily for everyone involved, with compassion and forgiveness triumphing over anger and bitterness.

BACKGROUND

Navajos. An American Indian people of present-day northwestern New Mexico and the adjacent part of Arizona.

Utes. An American Indian people of present-day Colorado and Utah who speak a language related to that of the Aztecs.

Roan. A base color (usually red, black, or brown) dulled and lightened by a blending of white hairs; also, a horse with a roan-colored coat.

Continental Divide. The ridge of the Rocky Mountains that separates rivers flowing toward the Atlantic from those flowing toward the Pacific.

MAIN CHARACTERS (IN ORDER OF APPEARANCE)

Cloyd Arcitty, a fourteen-year-old who has grown up bitter, illiterate, and without parents; he must come to terms with the meaning of forgiveness and compassion in nature and in human relationships.

Leeno Arcitty, Cloyd's father, who lies brain-dead in an Arizona hospital.

Susan James, the concerned housemother of the group home for boys where Cloyd lives.

Walter Landis, the kindly widowed rancher who takes Cloyd in and teaches him about mining, the mountains, and forgiveness; he becomes Cloyd's father spiritually and emotionally.

Grandmother, Cloyd's maternal grandmother, a Ute steeped in the ancient traditions of her people.

Rusty, a crusty, sardonic outfitter who hunts down and kills a grizzly bear, a blasphemy against the American Indian traditions that Cloyd cherishes.

PLOT

Chapter 1. Cloyd was taken care of as a child by his grandmother in Utah and never knew his father. As the novel opens, he has run away from a Ute group home in Colorado to look for his father, Leeno Arcitty, a patient in an Indian hospital in Arizona. Cloyd enters the hospital room and is shocked to find a mummylike figure attached to numerous tubes. The nurse tells Cloyd that the patient—his father—has been brain-dead for four years as a result of a car accident. Terrified by his father's appalling condition, Cloyd quickly turns and leaves.

Chapter 2. Cloyd wants to stay with his grandmother in Utah for the summer, but the housemother at the boys' home, Susan James, afraid he would not get enough discipline there, takes him to a Colorado ranch owned by a friend, an old widower named Walter. As Cloyd and Susan drive up to the gate, Cloyd seizes his last chance at freedom and runs off into the bushes. Atop a boulder he overhears Susan explaining his background

Guide Antaeus Borden Deal
