The Two Streams of Corporate Restructuring are Governed by Different Legislations. Company Law governs Mergers and SEBI Regulations govern Takeovers. The Value of Mergers, which is governed by economic factors, is quite large and practically ten times the value of takeovers. The Market Approach of Takeovers, however, instills discipline in regard to use of corporate resources by promoters and managements. The Corporate Raider can always approach the shareholders directly. The book analyses both the approaches and identifies the need for strengthening competition policy and preventing the misuse of buyback.
