Holy Laughter And The Toronto Blessing An Investigative Report:

Holy Laughter and the Toronto Blessing James A. Beverley, 1995 This powerful study of the Toronto Blessing phenomenon presents the facts in the light of Scripture

Encyclopedia of Evangelicalism Randall Herbert Balmer, 2002-01-01 The Encyclopedia of Evangelicalism is the most comprehensive resource about evangelicalism available With nearly 3 000 separate entries the Encyclopedia of Evangelicalism covers historical and contemporary theologians preachers laity cultural figures musicians televangelists movements organizations denominations folkways theological terms events and more Students scholars and libraries will all benefit from it

The Theology of Jonathan Edwards Michael J. McClymond, Gerald R. McDermott, 2012-01-05 Scholars and laypersons alike regard Jonathan Edwards 1703-58 as North America's greatest theologian The Theology of Jonathan Edwards is the most comprehensive survey of his theology yet produced and the first study to make full use of the recently completed seventy-three volume online edition of the Works of Jonathan Edwards The book's forty-five chapters examine all major aspects of Edwards's thought and include in depth discussions of the extensive secondary literature on Edwards as well as Edwards's own writings Its opening chapters set out Edwards's historical and personal theological contexts The next thirty chapters connect Edwards's theological loci in the temporally ordered way in which he conceptualized the theological enterprise beginning with the triune God in eternity with his angels to the history of redemption as an expression of God's inner reality ad extra and then back to God in eschatological glory The authors analyze such themes as aesthetics metaphysics typology history of redemption revival and true virtue They also take up such rarely explored topics as Edwards's missiology treatment of heaven and angels sacramental thought public theology and views of non-Christian religions Running throughout the volume are what the authors identify as five basic theological constituents trinitarian communication creaturely participation necessitarian dispositionalism divine priority and harmonious constitutionalism Later chapters trace his influence on and connections with later theologies and philosophies in America and Europe The result is a multi-layered analysis that treats Edwards as a theologian for the twenty-first century global Christian community and a bridge between the Christian West and East Protestantism and Catholicism conservatism and liberalism and charismatic and non-charismatic churches

Spellbound Molly Worthen, 2025-05-27 What happens when Americans lose faith in their religious institutions and politicians fill the void From the Puritans to Donald Trump this sweeping history will change your understanding of the forces that create leaders and hold their followers captive Elegant and insightful Spellbound is an important contribution to the urgent project of understanding America in our time Jon Meacham Everyone feels it Cultural and political life in America has become unrecognizable and strange Firebrands and would-be sages have taken the place of reasonable and responsible leaders Nuanced debates have given way to the smug confidence of yard signs How did we get here In Spellbound historian Molly Worthen argues that we will understand our present moment if we learn the story of charisma in America From the Puritans and Andrew Jackson to Black nationalists and

Donald Trump the saga of American charisma Worthen argues stars figures who possess a dangerous and alluring power to move crowds They invite followers into a cosmic drama where hopes are fulfilled and grievances are put right and these charismatic leaders insist that they alone plot the way The story of charisma in America reveals that when traditional religious institutions fail to deliver on their promise of a meaningful life people will get their spiritual needs met in a warped cultural and political landscape dominated by those who appear to have the power to bring order and meaning out of chaos Charismatic leaders address spiritual needs offering an alternate reality where people have knowledge power and heroic status whether as divinely chosen instruments of God or those who will restore national glory Through Worthen s centuries spanning historical research Spellbound places a crucial religious lens on the cultural economic and political upheavals facing Americans today

Pentecostal Theology and Jonathan Edwards Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America s theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness

Post-Charismatic Robby McAlpine, 2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin Join me will you It s like we re caught between a rock and a hard place We re continuationists We believe all the gifts of the Holy Spirit are alive and well and essential for today But we ve also been burned by unbiblical teachings spiritual abuse and the gaslighting subculture of pneuma fomo fear of missing out on the next great move of the Spirit We yearn for the Spirit s presence and power in our lives We don t want to throw the baby out with the bathwater but the water s teeming with spiteful pathogens It s time to roll up our sleeves and take responsibility for disinfecting the tub Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long Our Kairos moment has arrived Let s hone the charismata of discernment

Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide **Main Street Mystics** Margaret

Poloma,2003-10-07 On January 20 1994 the worshippers at the Toronto Airport Vineyard Church began to feel the Holy Spirit move them They began to laugh uncontrollably collapse to the floor stagger as if drunk But what was truly startling in this occurrence now commonly known as the Toronto Blessing is that these manifestations keep appearing at the Toronto church and have sparked a worldwide charismatic revival Visitors from around the world have come and started revivals in their home churches upon return In Main Street Mystics Margaret Poloma explains what is happening with this contemporary charismatic revival without explaining it away From her unique position as both a scholar and a pilgrim Poloma offers an intimate account of the movement while always attempting to understand it through the lenses of social science She looks at Pentecostalism as a form of mysticism but a mysticism that engages Pentecostals and charismatics in the everyday world With its broad overview and up close portraits Main Street Mystics is essential for anyone wanting to understand the ever renewing movement of Pentecostalism Spiritscapes Mark Parent, Alternative medicine Quantum mechanics Gaia Near

Death Experiences The New Age Fundamentalism Feminist and Liberation Theology These are just some of the nine most significant spiritual scientific movements analyzed by Mark Parent in his latest book Spiritscapes The Oxford History of

Protestant Dissenting Traditions, Volume IV Jehu J. Hanciles,2019-03-07 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and

characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations Volume IV examines the globalization of dissenting traditions in the twentieth century During this period Protestant Dissent achieved not only its widest geographical reach but also the greatest genealogical distance from its point of origin Covering Africa Asia the Middle East America Europe Latin America and the Pacific this collection provides detailed examination of Protestant Dissent as a globalizing movement Contributors probe the radical shifts and complex reconstruction that took place as dissenting traditions encountered diverse cultures and took root in a multitude of contexts many of which were experiencing major historical change at the same time This authoritative overview unambiguously reveals that Dissent was transformed as it travelled

Getting to Know the Holy Spirit Darren Edwards,2016-12-01 A practical guide to building a relationship with the Holy Spirit

Speaking in Tongues: A Critical Historical Examination Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin

Prophecy in the New Millennium Suzanne Newcombe,Sarah Harvey,2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life

Looking in the Other Direction Teun van der Leer,2023-09-22 In this

study Teun van der Leer tells the story of the Believers Church Tradition a tradition mainly rooted in the so called Radical Reformation which prefers to be called a movement or rather a renewal movement Its name is a program a vision and a way of being church Based on extensive source research this book describes and analyzes the defining characteristics of this so called third type of church and investigates its ecumenical value With an extensive description of its nature of faith the church hermeneutical discernment and mission this book colors a movement within the church landscape that has never been mapped in such detail before As such the book provides an in depth introduction to this ecumenically important but still a bit underexposed movement and makes a substantial contribution to the ecumenical ecclesiological debate about the church and its future

Norming the Abnormal Aaron T. Friesen,2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world Yet the movement s defining doctrine has met with controversy and criticism since its inception Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting That such a controversial doctrine could rise to take such a prominent role in defining and shaping

the Pentecostal movement begs further historical and social study This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world Then through an empirical study of ministers in three Pentecostal denominations the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals

Pentecostalism, Secularism, and Post Christendom

Bradley Truman Noel, 2015-12-14 If only we were a Christian country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if properly addressed may in fact herald the arrival of the Church s finest hour
