Homosexuality Biblical Interpretation And Moral Discernment:

Homosexuality Biblical Interpretation Willard M. Swartley, 2003-06-06 Grounded in a lifetime of biblical study New Testament scholar Willard M Swartley takes a fresh look at the Scriptures and what they would teach on the current and controversial subject of homosexuality In a spirit of love and generosity Swartley presents all sides of the issue drawing from contemporary scholarship and cultural analysis He concludes with a model for congregational discernment and suggestions for the path forward The Homosexuality Debate in Malawi Hamburu Mawerenga, 2018-06-14 Homosexuality is a cross cutting challenge to Malawian society with theological socio cultural economic legal political and human rights implications This book argues that the solution to the homosexuality debate in Malawi does not lie in either the criminalization or decriminalization of homosexuality neither does it lie in homophobia nor heterophobia However the solution to the homosexuality debate lies in achieving a harmonious co existence of both heterosexuals and homosexuals by practicing mutual tolerance The book concludes by suggesting various activities to be taken by The Government of Malawi Gay Rights Activists Religious Leaders Traditional Leaders and Malawian Society to ensure the aforementioned tolerance and understanding is encouraged The Meaning of Sex Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world *Homosexuality and Religion* Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully

developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation

The Spirit Poured Out on All Flesh Amos Yong,2005-07 Offers a fascinating look at Pentecostalism s place in global theology and shows how Christians from other traditions can benefit from recent developments in Pentecostal

Martin,2010-03-01 Does the Bible provide a construct for marriage that is relevant for a confused world This book reflects a pastor s conviction that biblical revelation culminating in Christ does speak to the issues and potentials for marriage in such a world By focusing on what the biblical vocabulary of marriage from Genesis to Revelation may reveal of the Creator Redeemer s intent for marriage Ernest D Martin develops a Christological paradigm for marriage that is consistent and applicable Pastors teachers and counselors will find biblical faith perspectives useful in responding to the challenges and opportunities they face in the several phases of marital relationships This short book will greatly benefit anyone seriously concerned with what the Bible says about marriage

The Mennonite Quarterly Review Harold Stauffer Bender,2005 **Controversies Quieted by the Sword** Belinda B. Dickerson

M.A.,2015-10-21 The author gives a diligent and careful investigation into the history and teachings of the Christian faith and church as they relate to poignant and timely contemporary controversies and issues facing modern day Christianity From questions about the role and place of women in the church and of the church itself to issues related to homosexuality and the nature of the spirit world the author provides a detailed and well refined study that should pique the curiosity of believers and help guide them towards God s true answers to these complex theological and doctrinal questions Inasmuch as Christ Peter Paul and the prophets taught in the simplicity in the Word some topics they taught were hard to understand or controversial to the traditional reader The purpose of this book is to shed light upon a few of those controversial subjects in hope of expounding unto the reader the way of God more perfectly

with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply. A War of Loves David Bennett, 2018-11-13 At 14 David Bennett came out to his parents. At 19 he encountered Jesus Christ. At that moment his life changed forever. As a young gay man David Bennett saw Christianity as an enemy to freedom for LGBTQI people and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way he was led down a path he never would have predicted or imagined. In *A War of Loves* David recounts his dramatic story from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

No Strings Attached Rachel Nafziger Hartzler, 2013-04-30 *No Strings Attached* is the story of a Mennonite congregation in Indiana that existed for eighty six years. The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture. The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana. Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers. Although *No Strings Attached* refers to the women's headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building. Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope. Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God's healing and hope to each other and to the world.
