The Master of Game: The Oldest English Book on Hunting Of Norwich Edward, Count of Foix Gaston Iii Phoebus, 2023-10-21 The Master of Game The Oldest English Book on Hunting stands as a seminal anthology in the annals of English literature offering readers a profound glimpse into the medieval ethos of hunting nature and the chivalric code This collection boasts an exquisite range of literary styles from the didactic to the vividly descriptive showcasing the era s intricate relationship between man and the natural world Its pieces rooted in the extensive traditions of European hunting literature reveal the diversity and depth of medieval thought on fauna conservation and the moral dimensions of hunting making significant contributions to our understanding of medieval cultural and environmental history The anthology derives its richness from the contributions of Edward of Norwich and Gaston III Phoebus Count of Foix both renowned figures in their respective domains Edward an avid hunter and scholar and Gaston a celebrated figure in the discourse of pre modern hunting literature bring together a spectrum of perspectives that are as educative as they are enthralling Their collective work situated within the broader currents of medieval literary and societal movements emphasizes the multifaceted ways in

which hunting was intertwined with social identity ethical considerations and the feudal economy enriching our knowledge of medieval life and its reflections in literature This anthology is a must read for those keen on exploring the confluence of literature history and environmental studies within the medieval context It offers not just an entertaining read but a scholarly gateway into understanding the nuanced relationships between humans and their environment in historical settings For students historians and literary enthusiasts alike The Master of Game presents an unparalleled opportunity to dive into a world where literature serves as a mirror to the complexities of human nature interactions seen through the lens of hunting the sport of kings a significant element of medieval culture and literature

The Transactions of the Royal Irish Academy ,1873 The Transactions of the Royal Irish Academy Royal Irish Academy,1867 **Life and Times of Her Majesty Caroline Matilda, Volume.1 (of 3)** C. F. Lachelles Wraxall ,2015-02-05 Example i n this ebook If there be a story which may be supposed to be thoroughly familiar to the reading public it is surely that of the Queen of Denmark who is believed to have loved not wisely but too well The fate of Struensee has supplied the motive for countless works more or less historical for novels and even for an opera Hence it might reasonably be assumed that the man who ventured on intruding on the English public another work on such a thoroughly worn out topic must be either very impudent or very foolish and yet I have ventured to do so through neither of these failings but for reasons which have been duly weighed and which appear to my mind to convey their justification The first of these motives is that within a very recent period a perfectly new light has been thrown on the whole affair by permission being granted to examine the privy archives of Copenhagen From these I have been enabled to derive the hitherto unpublished documents and reports of the judges and thus prove on what worthless evidence the divorce of the queen was passed At the same time a great deal of fresh matter has been rendered available about the two unhappy men who fell victims to a mistaken sense of justice The late King of Denmark who wisely thought that publicity was the best safeguard of thrones also allowed the *Mmoires de mon Temps* of the Landgrave Charles of Hesse Cassel brother in law of Christian VII to be printed for private circulation I have been enabled to procure a copy of this work through the kindness of Baron von Jenssen Tusch who obtained it from the Prince of Augustenburg and the many curious details of the Court of Denmark it contains have been woven largely into my text Another work which has afforded me very material assistance is the *Memoirs of Reverdil* Secretary to Christian VII which appeared two or three years ago but is little known in this country Lastly the private journals of Sir N W Wraxall have been laid under contribution to a great extent It was made known by the publication of the *Post* humorous *Memoirs* that he had been connected with the Queen of Denmark but it was only during last year that I discovered how much my grandfather knew of the affair and how well he had kept silence on the subject I have ransacked his journals correspondence c in the interests of the present work and these have enabled me I hope to bring together much not hitherto known or if known forgotten As a humble follower of Lord Macaulay I have also recognised the value of pamphlets and chap books and have been able to obtain with some cost and trouble nearly

everything published on the palace revolution during 1772 and 1773 in Germany Denmark and England I have also considered it my duty to consult every work at all connected with the subject and do not think that any one has been omitted Whether it has been in my power to prove the innocence of the Queen of Denmark is a question for my readers to decide I however take some credit to myself for publishing for the first time the letter which she wrote on her death bed to her brother This letter passed through the hands of the late King of Hanover to the Duchess of Augustenburg from whom my copy is derived To be continue in this ebook **The South-West (Vol. 1&2)** J. H. Ingraham,2021-05-07 This book grew out of a private correspondence which the author at the solicitation of his friends has been led to throw into the present form modifying in a great measure the epistolary vein and excluding so far as possible such portions of the original papers as were of too personal a nature to be intruded upon the majesty of the public while he has embodied so far as was compatible with the new arrangement everything likely to interest the general reader The author has not written exclusively as a traveller or journalist His aim has been to present the result of his experience and observations during a residence of several years in the South West This extensive and important section of the United States is but little known Perhaps there is no region between the Mississippi river and the Atlantic shores of which so little accurate information is before the public a flying tourist only having occasionally added a note to his diary as he skirted its forest lined borders **A Key to Uncle Tom's Cabin** Harriet Beecher Stowe,1998 In 1852 Harriet Beecher Stowe published Uncle Tom s Cabin an instant classic that received overwhelming acclaim by Northerners and other abolitionist readers Southerners conversely strongly denied the novel s accuracy The following year Stowe answered pro slavery critics with this unique bestseller a meticulous and thoughtful defense of her work which cites real life equivalents to her characters **Journals: Volume V** Joseph M. Alberts, *To the Uttermost Parts of the Earth* Martti Koskenniemi,2021-08-26 A critical history of European sovereignty and property rights as the foundation of the international order in 1300 1870
