

The background is a complex, abstract composition. It features a dark blue, textured surface with a pattern of interconnected spheres and lines, resembling a molecular or crystalline structure. Overlaid on this is a large, translucent, blue and white winged figure, possibly a pterosaur or a futuristic aircraft, with its wings spread wide. The figure is positioned diagonally across the frame. In the lower right corner, there is a cluster of golden-yellow spheres connected by lines, forming a hexagonal lattice structure, similar to a carbon nanotube or a molecular framework. The overall color palette is dominated by blues, greens, and yellows, with a sense of depth and scientific exploration.
