

An aerial photograph of a tropical coastline. In the foreground, the turquoise water of a coral reef is visible, with various shades of blue and green indicating different depths and coral structures. A narrow strip of white sand beach runs horizontally across the middle. Behind the beach is a dense, lush green forest that covers the land. In the background, rolling hills or mountains are visible under a sky with scattered white clouds. The overall scene is vibrant and scenic, typical of a tropical paradise.
