A GUIDE TO

SQL

The background of the cover is a dark, deep blue. It is filled with a complex network of glowing, ethereal lines in shades of blue, purple, and white. These lines appear to be light trails or data paths, some straight and others curved, creating a sense of dynamic movement. Numerous small, bright white and blue particles are scattered throughout the scene, particularly concentrated around the central glowing area, giving it a cosmic or digital feel. The overall composition is symmetrical and visually striking.
