This quick reference guide provides key Social Security numbers to help you in planning. The percentages shown here are applied to the primary insurance amount (PIA) of the worker on whose earnings record benefits are being claimed. The PIA can be found on the worker's Social Security statement. It is an estimate of the benefit amount if claimed at full retirement age (FRA). You can obtain your latest statement by opening an account at ssa.gov/myaccount.

Institutional Investors E. Philip Davis,Benn Steil,2004-01-30 One of the most important recent developments in financial markets is the institutionalization of saving associated with the growth of pension funds life insurance companies and mutual funds An increasing proportion of household saving is now managed by professional portfolio managers instead of being directly invested in the securities markets or held in the form of bank deposits With the aging of the population and its adverse impact on public pension systems the shift of individual savings to institutional investors is likely to become even more marked in the coming years This book provides a comprehensive economic assessment of institutional investment It charts

the development and performance of the asset management industry and analyzes the implications of rising institutionalized saving for the development of the securities trading industry the financial sector as a whole and the wider economy The book draws extensively on international experience particularly in the United States Western Europe and Japan Black Enterprise ,1985-10 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance Impact of Budget Cuts on the Elderly, New York United States. Congress. House. Select Committee on Aging.
