Is The Thief A True Story:

CA Pass The Real Story CA MUKESH SINGH RAJPUT, The present book *CA Pass The Real Story* is the author's life story in which he describes in a very interesting manner the ups and downs of his life's journey from zero to zenith. Through this book you will come to know how a small boy who sick of the constant fights between his parents runs away from home and has to work in a canteen or in a hotel in order to put food in his belly and survive. How he refused to give up and despite these many trials and hardships he realized his dream all because he continued to persevere and is today a successful C A. Via this honest auto biography the author wants to say that you don't have to be exceptionally talented to succeed; sincerity and hard work make everything possible. People with average potential can also polish and refine themselves to reach their desired goal. It is only after reading the book that one realizes the true meaning of Try Again. This book tells us that failures are only repetition of mistakes and so rather than getting demoralized by them and quitting we must try to identify and remove them. This book is not written to sermonize; instead it is a true account of the actual experiences of the author's life and inspires us not to be defeated by such challenges of life but to face them all the while telling us of the ways to do it. All in all it is a practical handbook which gives us courage, teaches us and also entertains.

Quest for Blackbeard: The True Story of Edward Thache and His World Baylus C. Brooks, 2016-07-31. Over 2 lbs with 614 pages of text, tables and graphs. Do you know who Blackbeard the Pirate was? Probably not. Born into a substantial family in Bristol, the eldest son of Capt Edward and Elizabeth Thache sailed for Jamaica with his family sometime before 1695. Capt Edward Thache of St Jago de la Vega or Spanish Town died there at age 47 while his son Edward Blackbeard Thache Jr joined the Royal Navy and fought in Queen Anne's War aboard HMS Windsor. Thache resembled more a Robber Baron of the early 20th century than a poor downtrodden member of Benjamin Hornigold's Flying Gang in the Bahamas or even his pupil Capt Charles Johnson's A General History of the Pyrates is a flawed historical work and much of what we have previously known about Blackbeard is simply not true. This book attempts to rediscover exactly who Blackbeard really was and how he related to his maritime American Pirate Nation. Quite a few surprises are in store. Website: <http://baylusbrooks.com>
