persecution they were enduring the second coming of Christ and how they were to live in difficult times While the letters were written nearly two thousand years ago pastor James H Grant Jr insists that Paul s audience includes us as well as the Thessalonians Grant applies Paul s message to contemporary churches over the course of twenty five chapters by leading readers systematically through the epistles unpacking the gospel and its implications in light of Christ s second coming Part of the Preaching the Word commentary series      **The Defilement of the Temple** Dr. Terry M. God s original health plan for mankind was in place before the earth was created and has been in place since the creation A perfect system with a complete a foundation to keep man healthy for more than a lifetime It is all about studying God not man and his opinion Mankind ignored God and His creation and destroyed a portion of the Temple that now must be rebuilt He has shown the way for the temple to be rebuilt For this to be accomplished we must ask forgiveness for the destruction of the temple and give Him glory for His creation He really wants to talk to us about how the temple is to be managed Man has done some bio frequency engineering and weaponized some bacteria and viruses to use Satan to alter God s bacteria s and viruses to destroy us A God put in us some defenses knowing in advance what Satan would do These are the last days God needs each believer to be healthy and ready to serve He does Not want one of us in Heaven a day early It is all about getting to know the Trinity and Giving God His Due Glory and Allowing Jesus to love us the way He wants to Without His healthcare plan we will not be alive here on earth to see the end You just must believe to Receive He can use man to rebuild the Temple just as the Bible says It is all in His word if you study God s word and plan not manaEUR tm s      **Redesigning Worship** Kim Miller,2010-09-01

Forrest Davis,2014-06-19 There is a Paul Factor cloud that hovers over the New Testament that deserves at least a conversation Paul's conversion to Christianity occurred 37 years after Jesus' death and resurrection and although Paul never met Jesus in person he nevertheless went on to personally define Jesus and Christianity for most of the Christian world On one occasion Paul made no bones about what he perceived to be his authority According to him he was given absolute and total latitude to carry out a mission that apparently he himself defined when he stated in Col 1:25 I am made a minister according to the dispensation of God which is given to me for you to fulfill the word of God The wording of that authority has no resemblance to the authority also given to Paul by Jesus' Spirit on the road to Damascus The following is what Paul said Jesus initially told him To open their eyes and to turn them from darkness to light and from the power of Satan unto God that they may receive forgiveness of sins Acts 26:18 If those were the instructions actually given by Jesus then that is the only authority Paul had and it was very specifically and only intended to bring repentance to the Gentiles by teaching them to love God and to love others Even though Paul went on to correctly teach many things about God and His word he also took it on himself to As he would then later describe it FULFILL that word However when he fulfilled it he generously changed some of it then added to it and then took away from it Since Paul assumed to have such authority whatever he decided to teach was to be the fulfillment of the word Ultimately that fulfillment would give his perception of spirituality priority over the written word and eventually in today's culture came to discount most of it altogether     The Spiral Gospel Rob James,2022-09-29

How did the author of the Gospel of Luke intend it to be read In *The Spiral Gospel* Rob James shows that the assumptions many modern readers bring to the text that it claims to be historically factual or merely regurgitates existing stories are not those of antiquity Building on the central insight that it was written for a community who would have used it as their pre-eminent text James argues convincingly for a continuous cyclical reading of Luke's narrative The evidence for this view and also its consequences can be seen in the gospel's intratextuality Context is given at the end of the gospel that informs the beginning and there are countless other intratextual elements throughout the text that are most readily noticeable on a second or subsequent reading This deliberate creative interweaving on the author's part opens up new levels of appreciation and faith for those who read in the way Luke's first audience received his work     *Return to Forever* Mark Salvatore Pitifer,2013-10-30

Once you complete this journey your eyes will be open FOREVER MIA CALABRESE The whole course of human history may depend on a change of heart in one solitary and even humble individual M Scott Peck Nino Jones an elderly homeless man from New York City agrees to join a group of Heavenly mercenaries who are risking their eternities to
