Islam An Introduction:

Islam Annemarie Schimmel,1992-05-14 It is a splendid introduction carefully researched and comprehensive yet readable It corrects many popular and erroneous notions about Islam that prevail in non Muslim societies For the general reader there are many profound insights of great consequence for example the passages on women marriage and inheritance or the section on jihad nearly always completely misunderstood in the press **Islam** Yusuf Qaradawi,2010 **Islam** James A. Beverley,2011-04-18 An essential and succinct introduction to the culture history and practices of the world s second largest religion Next to Christianity Islam is the largest religion in the world One out of every six people in the world is Muslim Like Christianity it s monotheistic belief in one God it has a holy text and an ethical or religious law Like Christians Muslims are devoted to religious activities like prayer and fasting And yet many Christians feel at a loss to understand this neighboring system of faith Professor James A Beverley provides answers to questions many Christians have about Islam in this short and readable book Islam clearly lays out responses to topics such as What Muslims think about God the world and their place in it How Muhammad established a religion that now stretches around the world How different groups within Islam define Jihad Why Palestine is important to Muslims What roles women play in different Islamic communities And how Christians should relate to Muslims Features include Glossary of terms related to Islam A list of Frequently Asked Questions for easy reference Topical bibliography for further study **Islam** Catharina Raudvere,2014-11-19 Many existing introductions to Islam focus predominantly on the Middle East and on historical background at the expense of Islam as a lived faith Assessing Islam as a truly global phenomenon Catharina Raudvere engages thoroughly with history explaining the significance of the revelation of the Prophet Muhammad and the origins of the different Sunni and Shi a groups within Islam while also giving full and comprehensive coverage to Muslim ritual life and Islamic ethics She discusses moral debates and modern lifestyle issues such as halal consumption interfaith dialogue and controversy over the wearing of the veil Diaspora communities are considered with a view to showing how norms and doctrines are understood and sometimes contradicted in social and ritual practice In addition the author focuses on the meaning and continuing application to modern life of the Quran and hadith as sources for Islamic theology kalam and jurisprudence fiqh The book gives much attention to questions of universal values Islam and democracy gender issues women s rights and pluralism contrasting the thinking of Jihadists and radical Islamism with liberal reformist voices within Islam Islam An Introduction offers undergraduate students of religion and general readers a balanced sensitive and well informed overview of the world s most intensively discussed religious and cultural tradition **Understanding Islam** Thomas W. Lippman,1995-09-01 A little over thirteen centuries ago the prophet Muhammad converted a few Arab desert tribes to the belief in a single god Allah thus founding the religion of Islam Within a century that belief had created one of history s mightiest empires and today Islam continues to shape events around the globe This comprehensive guide offers an informative and insightful introduction to Islam both as a religion and as a political

economic force It tells the story of Muhammad and the rise of Islam outlines the sacred book the Koran explains the five pillars of faith explores the interplay between religion and government describes the differences that divide Islam and above all shows the influence of Islam on world affairs This second revised edition provides crucial new material on the Islamic community today including discussion of the Gulf War and the Salman Rushdie affair the rise and ebb of fundamentalist fervor in Iran Algeria and elsewhere and the relationships among different factions of the Islamic faith There are also updated descriptions of internal politics in Syria Egypt Pakistan and other Islamic nations Complete with glossary bibliography and index Understanding Islam Thomas W. Lippman, 1982 A guide to the teachings history and practices of Islam and its influence on current world affairs
