Islamic Fundamentalism, Feminism, and Gender Inequality in Iran Under Khomeini Masoud

Kazemzadeh,2002-09-10 The rise of Islamic fundamentalist movements in the Islamic world and their obsession with women's roles has given rise to the question of the relationship between Islam and women's inferior position. There is little doubt that Iranian women have been one of the major losers of the 1979 Iranian revolution. Islamic fundamentalists in Iran created an extremely violent misogynist oppressive regime. Islamic fundamentalists in Afghanistan, Algeria, Egypt, and elsewhere have promoted misogynist ethos and policies. Is Islam as a religion against the equality of men and women? Is Islamism that is Islam as a political ideology against the equality of women? In this book, utilizing the case of Iran under Khomeini, the author analyzes the relationship between Islam, Islamic fundamentalism, and gender inequality. Encyclopedia of Women and Islamic Cultures Suad Joseph, Afsāna Nağmābādī, 2003. Family Law and Politics, Volume II of the Encyclopedia of Women and Islamic Cultures brings together over 360 entries on women, family law, politics, and Islamic cultures around the world.

Women and Suicide in Iran S. Behnaz Hosseini, 2021-09-30. Drawing on feminist theory as well as theory surrounding the correlation between poverty and suicide, this study explores the increased rate of suicide among women in western Iran. Based on empirical research including interviews with women from the Kurdish region of the country, the author considers the marginalisation of Kurdish populations in Iran, the suppression of their rights, and violence against women in its various forms. With attention to family violence such as direct physical or sexual assault, psychological bullying, or through practices such as forced marriage or honour killings, the author also considers the political nature of such violence as certain violent practices are enshrined in the Iranian constitution and legitimised in jurisprudential practice. A study of gendered violence and its effects. *Women and Suicide in Iran* will be of interest to scholars working in the fields of Sociology, Criminology, and Middle Eastern Studies with interests in violence, gender, and suicide.

The Iran National Front and the Struggle for Democracy Masoud Kazemzadeh, 2022-05-09. The Iran National Front and the Struggle for Democracy 1949-Present explores the activities of the Iran National Front (INF). The INF is a coalition of parties, groups, and individuals and Iran's oldest and main pro-democracy political party. This book presents a political history of the INF from 1949 to the present day. It discusses the current platform of the INF, its leadership, policies, strategies, as well as criticisms and weaknesses. The volume draws on a rich range of primary sources: INF documents and interviews, including translated transcripts with the top leader of the INF. As it is one of the major political parties opposing the current regime in Iran, the book also examines the current situation in the country. It provides an analysis of the nature of the political systems under the Shah and the Islamic Republic. **Mass Protests in Iran** Masoud Kazemzadeh, 2023-09-05. Mass Protests in Iran: From Resistance to Overthrow explores the various waves of protests in Iran over the past 44 years, surveying their causes, consequences, and outcomes. The author argues that the regime and its support base of fundamentalist groups constitute a minority in Iran and lack legitimacy, and thus the

regime uses repression and violence to secure its rule The result is a pre revolutionary situation and a shifting political landscape of overthrows constant mass protests and mass repression Kazemzadeh s analysis highlights the factors that would assist the fundamentalist regime in succeeding in suppressing these protests and the factors that would assist the Iranian people in defeating the fundamentalist regime Written in an accessible style this timely book offers a much needed contribution to the literature on Iranian politics It will be of interest to students and scholars as well as policy makers interested in Middle Eastern studies social movements protest movements political science and sociology **The A to Z of**
