Islamic Terror And The Balkans Islamic Terror And The Balkans:

Islamic Terror and the Balkans Shaul Shay, 2011-12-31 The disintegration of Yugoslavia in the early 1990s ended the Yugoslavian Federation which for nearly fifty years had succeeded in preserving a delicate coexistence among the ethnic religious and national components contained within it Following this the Balkans became a violent arena of confrontation due to these warring factions Islamic Terror and the Balkans describes and analyzes the growth of radical Islam in the Balkans from its inception during the years of World War II to the present Shay s account shows how the Bosnian War between the Muslims and the Serbs provided the historical opportunity for radical Islam to penetrate the Balkans at a time when the Muslim world headed by Iran and the various Islamic terror organizations including Al Qaida came to the aid of the Muslims in Bosnia In the framework of the mobilization of these entities in aiding the Muslim side in the conflict the operational and organizational infrastructure of Iranian intelligence and the Revolutionary Guards was established as well as those operated by other Islamic terror organizations When war in Bosnia ended terrorist infrastructures remained in the Balkans and served as a basis for these entities intervention in the confrontation that developed in the Balkans in the late 1990s specifically in Kosovo and Macedonia Today the Balkans serve as a forefront on European soil for Islamic terror organizations which exploits this area to promote their activities in Western Europe Russia and other focal points worldwide Shay s analysis of terror activity in the aftermath of the September 11 attacks and exposure of terror cells throughout the world and particularly in Europe attest to the increasing involvement of the Balkan alumni and of the terrorist infrastructure from this area in creating global terror activity

Islamic Terror and the Balkans Shaul Shay, 2017-07-12 The disintegration of Yugoslavia in the early 1990s ended the Yugoslavian Federation which for nearly fifty years had succeeded in preserving a delicate coexistence among the ethnic religious and national components contained within it Following this the Balkans became a violent arena of confrontation due to these warring factions Islamic Terror and the Balkans describes and analyzes the growth of radical Islam in the Balkans from its inception during the years of World War II to the present Shay s account shows how the Bosnian War between the Muslims and the Serbs provided the historical opportunity for radical Islam to penetrate the Balkans at a time when the Muslim world headed by Iran and the various Islamic terror organizations including Al Qaida came to the aid of the Muslims in Bosnia In the framework of the mobilization of these entities in aiding the Muslim side in the conflict the operational and organizational infrastructure of Iranian intelligence and the Revolutionary Guards was established as well as those operated by other Islamic terror organizations When war in Bosnia ended terrorist infrastructures remained in the Balkans and served as a basis for these entities intervention in the confrontation that developed in the Balkans in the late 1990s specifically in Kosovo and Macedonia Today the Balkans serve as a forefront on European soil for Islamic terror organizations which exploits this area to promote their activities in Western Europe Russia and other focal points worldwide Shay s analysis of terror activity in the aftermath of the September 11 attacks and exposure

of terror cells throughout the world and particularly in Europe attest to the increasing involvement of the Balkan alumni and of the terrorist infrastructure from this area in creating global terror activity *The Coming Balkan Caliphate* Christopher Deliso, 2007-06-30 The Balkans the gateway between East and West are also Europe's soft underbelly a rough neighborhood where organized crime and terrorism present a constant threat This eye opening book details how 15 years of misguided Western interventions political scheming and local mafia appeasement compounded by a massive infusion of Arab cash fundamentalist Islamic preaching and mosque building have allowed radical Islamic groups to fill in the cracks between internal ethnic and religious schisms and take root in key areas of the Balkans With all eyes currently focused on the widening conflict in the Middle East and the terrorist threat coming from the region the West is in danger of overlooking a potent new battleground in the greater war on terror the Balkans This historically volatile region saw some of the worst violence of the late 20th century in the Yugoslav Wars of Secession During these conflicts stunningly shortsighted and politically motivated policies of the United States and its allies directly allowed Islamic mujahedin and terrorist related entities to establish a foothold in the region just as with the progenitors of the Taliban a decade earlier in Afghanistan Although the 9 11 attacks caused a partial reassessment of Western policy it may already be too late for a region still largely ignored The proliferation of foreign fundamentalist groups has had a cancerous effect on traditional Balkan Islamic communities challenging their legitimacy in unprecedented and often violent ways Well funded groups like the Saudi backed Wahabbis continue to exploit internal schisms within local communities while the international administrations in Bosnia and Kosovo have actually strengthened the grip of local mafia groups business partners of terrorists Worst of all the Western peacekeepers chronic don't rock the boat mentality has allowed extremist groups to operate unchallenged Nevertheless regional demographic and cultural trends coinciding with an increasingly hostile attitude in the larger Muslim world over Western military actions and perceived symbolic provocations indicate that the lawless Balkans will become increasingly valuable as a strategic base for Islamic radicals over the next two decades Utilizing the post al Qaeda tactics of a decentralized jihad carried out through small independent cells leaderless resistance while seeking to fundamentally and violently remold Muslim societies such Balkan based extremists pose a unique and tangible threat to Western security

Islamic Terrorism and the Balkans Steven J. Woehrel, 2008 **Saudi Arabia and the Global Islamic Terrorist Network** S. Stern, 2011-11-03 Saudi Arabia influences American policy through both conventional and unconventional methods all due to the petro dollars that have been generated from America's addiction to foreign oil With chapters written by renowned experts this book uses first hand accounts to explore this vast influence **Political, Social and Religious Studies of the Balkans** Raphael Israeli and Ana Dimitrovska, 2021-05-24 This volume explores the roots and centennial development of radical Islam in the Balkans since the rise of early Muslim fundamentalists in the Muslim world in the early 20th century It also follows current militant Muslim movements which have grown in the world and were the direct trigger of

the Bosnia war 1992 5 The book also clarifies the parallels between the predominant events in the world of Islam during the past century specific developments in Balkan Islam in general and of Bosnia in particular **Islamic Terrorism and the Balkans** Steven Woehrel,2010-11 In the 1990s wars and political instability provided an opportunity for Al Qaeda and other terrorist groups to infiltrate the Balkans However U S and European peacekeeping troops aid and the prospect of Euro Atlantic integration have helped to bring more stability to the region in recent years Moreover the 9 11 attacks on the U S underscored the dangers of global terrorism and resulted in increased U S attention and aid to fight the terrorist threat Many experts currently do not view the Balkans as a key region harboring or funding terrorists in contrast to the Middle East South Asia Southeast Asia and Western Europe Contents of this report Introduction Bosnia and Herzegovina Albania Kosovo U S Policy Congressional Response Conclusion *Islam and Political Violence* Shahram Akbarzadeh,Fethi Mansouri,2010-06-30 How do we engage with the pressing challenges of xenophobia radicalism and security in the age of the war on terror The widely felt sense of insecurity in the West is shared by Muslims both within and outside Western societies Growing Islamic militancy and resulting increased security measures by Western powers have contributed to a pervasive sense among Muslims of being under attack both physically and culturally Islam and Political Violence brings together the current debate on the uneasy and potentially mutually destructive relationship between the Muslim world and the West and argues we are on a dangerous trajectory strengthening dichotomous notions of the divide between the West and the Muslim world

Rediscovering the Umma Ina Merdjanova,2016 This book discusses the role of Islam in the political and social developments in the Balkans after the fall of communism It explores comparatively the transformations of Muslim identities under the influence of various national and transnational domestic and global factors **Senior Leadership Roundtable on Military and Defence Aspects of Border Security in South East Europe** Itamara V. Lochard,2019-02-15 The region of South East Europe SEE which is home to both NATO and Partnership for Peace PfP countries serves as an important corridor between Europe and the Middle East North Africa and the Caucasus In recent years however SEE has also experienced high levels of cross border military and defense related challenges in the form of migration smuggling terrorism and cyber threats Furthermore the use of the new information environment IE to further extremism in SEE and elsewhere in NATO and PfP countries has had far reaching command and control C2 implications for the Alliance A collaborative interdisciplinary international and regional approach is clearly needed to adequately assess and address these hybrid threats This book presents papers delivered at the NATO Science for Peace and Security SPS event Senior Leadership Roundtable on Military and Defense Aspects of Border Security in South East Europe held in Berovo the Former Yugoslav Republic of Macedonia from 23 30 September 2017 The aim of this special SPS grant was to maximize opportunities for extensive dialogue and collaboration between senior regional members and the almost 70 distinguished academic and legal experts as well as current or former senior level practitioners from various governments NATO bodies and international organization

that participated It was the first SPS event of its kind in SEE as well as the first NATO SPS grant to be co executed by the U S Department of Defense via the U S National Defense University Other co organizers were the C4I and Cyber Center of Excellence at George Mason University and PfP partner institution the General Mihailo Apostolski Military Academy Skopje Associate Member of the University of Goce Delcev Stip The book is divided into five parts global trends defining the problem policy and academic solutions national and regional case studies and technological solutions It will prove an invaluable source of reference for all those with an interest in the SEE region as well as cross border hybrid threats in general Turkey recognizes the Republic of Macedonia with its constitutional name

Transnational Terrorism, Organized Crime and Peace-Building W. Benedek,C. Daase,V. Dimitrijevic,P. van Duyne,Vojin Dimitrijevi?,Petrus van Duyne,2010-05-12 This volume investigates the role of the transnational terrorist and criminal organizations in the peace building processes with a particular focus on the Western Balkan region Conducted within the framework of human security analysis the research focuses on the security of the human being

The ^AMissing Martyrs Charles Kurzman,2018-11-07 In this startlingly counterintuitive book a leading authority on Islamic movements demonstrates that terrorist groups are thoroughly marginal in the Muslim world Charles Kurzman draws on government sources public opinion surveys election results and in depth interviews with Muslims in the Middle East and around the world finding that while young Muslims are indeed angry at the West they are simply not attracted to terrorist methods This revised edition updated to include the self proclaimed Islamic State concludes that fear of terrorism should be brought into alignment with the actual level of threat and that government policies and public opinion should be based on evidence rather than alarmist hyperbole

Conversion to Islam in the Balkans Anton Minkov,2004-01-01 By examining available demographic data and petitions submitted by non Muslims for accepting Islam this volume convincingly reconstructs the stages of the Islamization process in the Balkans and offers an insight to the motives and factors behind conversion

The Revival of Islam in the Balkans Olivier Roy,Arolda Elbasani,2015-07-28 This book shifts analytical focus from macro politicization and securitization of Islam to Muslims choices practices and public expressions of faith An empirically rich analysis the book provides rich cross country evidence on the emergence of autonomous faith communities as well as the evolution of Islam in the broader European context

The Edge of Law Alex Jeffrey,2019-12-19 Explores the political and social consequences of establishing a new legal system in the wake of violent conflict

The Two Faces of Islam Stephen Schwartz,2003-09-09 Since its formation in 1932 Saudi Arabia has been ruled by two interdependent families The Al Sa uds control politics and the descendants of Ibn Abd al Wahhab impose Wahhabism a violent fanatical perversion of the pluralistic Islam practiced by most Muslims Stephen Schwartz argues that Wahhabism vigorously exported with the help of Saudi oil money is what incites Palestinian suicide bombers Osama bin Laden and other Islamic terrorists throughout the world Schwartz reveals the hypocrisy of the Saudi regime whose moderate facade conceals state sponsored repression and terrorism He also raises troubling questions about Wahhabi infiltration of

America's Islamic community and about U.S. oil companies sanitizing Saudi Arabia's image for the West. This sharp analysis and eye-opening expose illuminates the background to the September 11th terrorist attacks and offers new approaches for U.S. policy toward its closest ally in the Middle East.

Islamic Terrorism and the Balkans, 2005. In the 1990s wars and political instability provided an opportunity for Al Qaeda and other terrorist groups to infiltrate the Balkans. However, U.S. and European peacekeeping troops aid and the prospect of Euro-Atlantic integration have helped to bring more stability to the region in recent years. Moreover, the September 11, 2001 attacks on the United States underscored for the countries of the region the dangers of global terrorism and resulted in increased U.S. attention and aid to fight the terrorist threat. In part as a result, many experts currently do not view the Balkans as a key region harboring or funding terrorists in contrast to the Middle East, South Asia, Southeast Asia, and Western Europe. However, experts note that the region may play a secondary role in terrorist plans as a transit point for terrorists as well as for rest and recuperation. Moreover, they agree that the region's continuing problems continue to leave it vulnerable to terrorist groups in the future. U.S. officials have cited the threat of terrorism in the Balkans as an important reason for the need for continued U.S. engagement in the region. In addition to the need to take steps to directly combat terrorist infrastructure in the region, U.S. officials say that U.S. efforts to bring stability to the region also help to fight terrorism. They note that political instability, weak political and law enforcement institutions, and poverty provide a breeding ground for terrorist groups. U.S. objectives are also outlined in the 9/11 Commission Report and the President's National Strategy for Combating Terrorism, which calls for the United States to work with other countries to deny terrorists sponsorship, support, and sanctuary, as well as working to diminish the underlying conditions that terrorists seek to exploit.

Balkan Fighters in the Syrian War, Tanja Dramac Jiries, 2021-09-14. This book analyses the process of the recruitment of foreign fighters from the Western Balkans, specifically Bosnia and Herzegovina and Kosovo, to Syria and Iraq from 2012 to 2015. Utilizing in-depth semi-structured interviews with foreign fighters and their families, as well as a number of relevant stakeholders, it answers the question of what were the processes and circumstances leading up to the departure of foreign fighters from Bosnia and Herzegovina and Kosovo, and what informed their agency. The author draws on the theories of social movement approaches, more specifically contentious politics literature, and utilizes the specific concepts of triggering mechanisms, which refer to the enabling circumstances that make the radicalization and departure possible, and pleasure in agency to elaborate on individual motivation. The book also shows how a wider state fragility within the context of the post-Yugoslav wars and the transitional period that never ended aided radicalization and how an incomplete process of post-war transition can fuel the process of political and religious radicalization, creating a wider enabling web for recruitment. It will be of interest to students and scholars of Southeast European politics and foreign policy, post-war democratic transition, security policy, and radicalization more broadly.

Discourse, War and Terrorism, Adam Hodges, Chad Nilep, 2007-04-11. Discourse since September 11, 2001 has constrained and shaped public discussion and debate surrounding terrorism.

worldwide Social actors in the Americas Europe Asia the Middle East and elsewhere employ the language of the war on terror to explain react to justify and understand a broad range of political economic and social phenomena Discourse War and Terrorism explores the discursive production of identities the shaping of ideologies and the formation of collective understandings in response to 9 11 in the United States and around the world At issue are how enemies are defined and identified how political leaders and citizens react and how members of societies understand their position in the world in relation to terrorism Contributors to this volume represent diverse sub fields involved in the critical study of language including perspectives from sociocultural linguistics communication media cultural and political studies Somalia Between Jihad and Restoration Shaul Shay, 2017-07-05 Since 1991 Somalia has been defined as a failing state one that lacks an effective central government The vacuum of power in Somalia in turn enabled Al Qaida and other radical Islamic organizations to find allies and refuge in there Shay s account shows how the presence of radical Islamic entities in the area alongside local problems and conflicts has turned Somalia into a focal point in the global war against terror On June 5 2006 the Islamic Courts Union ICU declared victory in its struggle against the Alliance for the Restoration of Peace and Counter Terrorism ARPCT a coalition of U S backed warlords Shortly after their victory announcement the ICU implemented a Taliban style radical Islamic rule The rule of the ICU was brief In December 2006 they were defeated by a coalition of the Transitional Federal Government TFG and Ethiopian forces In spite of the ICU s defeat internal conflict in Somalia between the ICU and the interim government of Somalia TFG backed by Ethiopia is still far from concluded Shay shows how the internal conflict may spill over into other nations creating a larger regional theater of Jihad He also provides some ideas on how to prevent the foundation of a new radical Islamic state that could become a haven of the Islamic terror in the Horn of Africa This volume is instructive in demonstrating the consequences of destabilisation It will be of interest to foreign policy analysts regional specialists and strategists in the war against terror

The Enigmatic Realm of **Islamic Terror And The Balkans Islamic Terror And The Balkans**: Unleashing the Language is Inner Magic
