Islamic Radicalism And Global Jihad:

Islamic Radicalism and Global Jihad Devin R. Springer, 2009-01-06 Jihadist ideology inspires a diverse and decentralized collection of radical groups to fight alleged enemies of Islam and to attempt to restore a holy caliphate to unite Muslim peoples across the Middle East Africa and Asia Islamic Radicalism and Global Jihad provides unique insights into the philosophical foundations strategic vision organizational dynamics and tactics of the modern jihadist movement with specific attention to its primary driver Al Qaeda Springer Regens and Edger draw heavily on Arabic language sources seldom seen in the West to explain what jihadists want and how radical thinkers have distorted the teachings of Islam to convince followers to pursue terrorism as a religious duty With sophisticated and systematic analysis the authors lead their readers on a fascinating intellectual journey through the differing ideas goals and vulnerabilities of the jihadist movement as it has evolved over time The authors also impart wisdom from their own professional experience with terrorism counterinsurgency and intelligence to provide scholars students counterterrorism professionals and general readers with this accessible overview of key radical Islamic thinkers and today's jihadists

Islamic Jihadism and the Laws of War Omar Mekky, 2023-07-21 The rapid rise of global Islamic Jihadism in the past few decades and the limited success of the anti terror campaign in halting its expansion have raised hard hitting questions about how different political actors might preserve and restore the world's peace and security Since the end of the Second World War international law has often been the chief instrument employed to address global conundrums of this kind Nevertheless international law alone cannot solve this problem Jihadist groups often cite Islamic law argumentations to justify their combat related actions against states while rejecting traditional international law rules On the other hand some states themselves ignore traditional international law rules to apply their so called counterterrorism measures The internationally recognized laws of war created to protect those who do not participate in hostilities are constantly challenged by jihadist groups and responding states in justification of their combat actions In Islamic Jihadism and the Laws of War Dr Omar Mekky explores both sides legal frameworks synthesising findings from both English and Arabic sources Drawing from the author's field expertise as a legal advisor in the Middle East and North Africa the book narrates how Islamic Jihadism began and evolved outlines the laws jihadists apply during combat addresses how states often react in their fights against jihadist groups and aims for a pragmatic humanitarian legal formula An essential resource for legal professionals policymakers academics and students Mekky's book initiates a constructive dialogue between international law and Islamic law

Islam in Historical Perspective Alexander Knysh, 2016-10-26 Islam in Historical Perspective provides readers with an introduction to Islam Islamic history and societies with carefully selected historical and scriptural evidence that enables them to form a comprehensive and balanced vision of Islam's rise and evolution across the centuries and up to the present day Combining historical and chronological approaches the book examines intellectual dialogues and socio political struggles within the extraordinary rich Islamic tradition Treating Islam as

a social and political force the book also addresses Muslim devotional practices artistic creativity and the structures of everyday existence *Islam in Historical Perspective* is designed to help readers to develop personal empathy for the subject by relating it to their own experiences and burning issues of today It contains a wealth of historical anecdotes and quotations from original sources that are intended to emphasize its principal points in a memorable way This new edition features a thoroughly revised and updated text new illustrations expanded study questions and chapter summaries *Research Handbook on International Law and Terrorism* Ben Saul, 2020-04-24 This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field including new topics for this edition such as foreign terrorist fighters the nexus between organized crime and terrorism and the prevention of violent extremism

The Symbolic Scenarios of Islamism Andrea Mura, 2016-03-09 *The Symbolic Scenarios of Islamism* initiates a dialogue between the discourse of three of the most discussed figures in the history of the Sunni Islamic movement Hasan al Banna Sayyid Qutb and Osama bin Laden and contemporary debates across religion and political theory providing a crucial foundation upon which to situate current developments in world politics Redressing the inefficiency of the terms in which the debate on Islam and Islamism is generally conducted the book examines the role played by tradition modernity and transmodernity as major symbolic scenarios of Islamist discourses highlighting the internal complexity and dynamism of Islamism By uncovering forms of knowledge that have hitherto gone unnoticed or have been marginalised by traditional and dominant approaches to politics accounting for central political ideas in non Western sources and in the Global South the book provides a unique contribution towards rethinking the nature of citizenship antagonism space and frontiers required today While offering valuable reading for scholars of Islamic studies religious studies and politics it provides a critical perspective for academics with an interest in discourse theory post colonial theory political philosophy and comparative political thought **Casebook on Insurgency and Revolutionary Warfare** ,2012 **See It/shoot it** Christopher J.

Fuller, 2017-01-01 An illuminating study tracing the evolution of drone technology and counterterrorism policy from the Reagan to the Obama administrations This eye opening study uncovers the history of the most important instrument of U S counterterrorism today the armed drone It reveals that contrary to popular belief the CIA s covert drone program is not a product of 9 11 Rather it is the result of U S counterterrorism practices extending back to an influential group of policy makers in the Reagan administration Tracing the evolution of counterterrorism policy and drone technology from the fallout of Iran Contra and the CIA s Eagle Program prototype in the mid 1980s to the emergence of al Qaeda Fuller shows how George W Bush and Obama built upon or discarded strategies from the Reagan and Clinton eras as they responded to changes in the partisan environment the perceived level of threat and technological advances Examining a range of counterterrorism strategies he reveals why the CIA s drones became the United States preferred tool for pursuing the

decades old goal of preemptively targeting anti American terrorists around the world **Al-Qaeda's Revenge** Fernando Reinares,2017-01-17 In *Al Qaeda s Revenge* The 2004 Madrid Train Bombings Fernando Reinares tells the story of 3 11 the March 11 2004 bombings of commuter trains in Madrid which killed 192 people and injured more than 1 800 He examines the development of an al Qaeda conspiracy in Spain from the 1990s through the formation of the 3 11 bombing network beginning in March 2002 and discusses the preparations for and fallout from the attacks Reinares draws on judicial police and intelligence documents to which he had privileged access as well as on personal interviews with officials in Spain and elsewhere His full analysis links the Madrid bombings to al Qaeda s senior leadership and unveils connections between 3 11 and 9 11 *Al Qaeda s Revenge* Spain s counterpart to The 9 11 Commission Report was a bestseller in Spain *Major Issues in Islam* Harvey J. Sindima,2017-11-02 This book explores matters that have negatively affected the public image and led to distorted depictions of Islam from the late nineteenth century to the present The areas of uneasiness and debate among Muslims and non Muslims alike include Islamic values and identity in the post caliphate era after colonialism and now under Western hegemony There is anxiety about the place of Shari a in the light of Western law and the state secularism democracy human rights the equality of women and the place of Islamic education in transmitting Islamic values as secular education dominates societies There are apprehensions over the relation between religion and politics as in the rise of Muslim Brotherhoods Wahhabism Islamism al Qaeda and Islamic State In non Muslim countries concerns are about the status of Muslim marriage polygamy divorce and interest in business Every topic is examined through the Noble Qur an and the Hadith classical writings and linguistic analysis *Islam* Roberto Tottoli,2020-10-27 Exploring complex relations between Muslim visions and critical stances this textbook is a compact introduction to Islam dealing with the origins of its forms from early developments to contemporary issues including religious principles beliefs and practices The author s innovative method considers the various opposing theories and approaches between the Islamic tradition and scholars of Islam Each topic is accompanied by up to date bibliographical references and a list of titles for further study while an exhaustive glossary includes the elementary notions to allow in depth study Part I outlines the two founding aspects the Qur an and Prophet Muhammad highlighting essential concepts according to Islamic religious discourse and related critical issues In Part II the emergence of the religious themes that have characterised the formation of Islam are explored in terms of historical developments Part III on contemporary Islam examines the growth of Islam between the end of the Middle Ages and the beginning of the modern age Advanced readers already familiar with the elementary notions of Islam and religious studies will benefit from *Islam* that explores the development of religious discourse in a historical perspective This unique textbook is a key resource for post graduate researchers and academics interested in Islam religion and the Middle East

Non-State Actors Eran Zohar,2023-10-24 Understanding Non State Actors aims to reduce the scarcity of academic literature on armed non state actors NSAs that have always been a part of world politics and wars This monograph offers possibly for the first time a systematic historical review as well as a substantive theory of NSAs and their arming efforts The world has been astonished by the ability of the well armed Hamas to inflict heavy losses on the powerful Israel Thus from the Jewish rebellion against Rome to the war between the Ukrainian separatists and the Ukrainian government NSAs weapons

acquisition has been vital for the build up of their force enabling both the employment of that force and its sustainability While weapons are not necessarily the most important factor in military build up NSAs need weapons to fight and revolts usually erupt after the organizers have acquired a certain number of weapons Conversely many revolts lose momentum and operations are not carried out or turn ineffective due to shortages of arms and ammunition A major theme of this monograph is that in spite of dramatic political and technological changes armed NSAs in different periods have employed similar methods to acquire weapons Self production looting and stealing external support and the arms trade were always the major ways for NSAs to acquire weapons though the importance of each method and the type of arms has changed remarkably over time Understanding Non State Actors discusses the factors political social cultural technological and organizational that have both facilitated and constrained the ability of NSAs to acquire arms Especially lecturers and students of Military Terrorism Conflict studies War and peace studies will benefit from this study

American foreign policy Mohsen M. Saleh, Ishtiaq Hossain, 2011-09-28 This is a 422 pages edited volume prepared by a group of prominent scholars from US UK Malaysia UAE and Lebanon It discusses the domestic settings of American foreign policy and analyzes its impact on issues considered vital to the Muslim world adhering to the strict academic standards and measures The first part of this book explains the complex foreign policy making system in the United states and assesses the role of Christian evangelicalism neoconservatism the media the pro Israel lobby and the role of Muslim groups The second part of the book discusses the characteristics of the American foreign policy It presents a historical analysis of the most important issues that had an immense impact on the American foreign policy It also analyses the impact of the US political economy on its foreign policy and asserts the need for a paradigm shift in American foreign policy The third part of the book provides an in depth analysis of American policy towards the most sensitive issues in the Islamic World the Palestinian cause Iraq invasion and occupation Iran s nuclear issue and Afghanistan It also discusses the president Obama s foreign policy The importance of this study is that it analyzes American foreign policy from the view of scholars who are mostly from the Islamic world yet they well know the US closely through their academic background or by living and studying and teaching there Thus they present their objective view as they see it rather than presenting the views of American think tanks It is a must read book for those interested in understanding American foreign policy toward the Muslim world and specialists and students of Political Science and International Relations

Islamic Radicalism And Global Jihad Introduction

In today's digital age, the availability of Islamic Radicalism And Global Jihad books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Islamic Radicalism And Global Jihad books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Islamic Radicalism And Global Jihad books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Islamic Radicalism And Global Jihad versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Islamic Radicalism And Global Jihad books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Islamic Radicalism And Global Jihad books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Islamic Radicalism And Global Jihad books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Islamic Radicalism And Global Jihad books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Islamic Radicalism And Global Jihad books and manuals for download and embark on your journey of knowledge?
