Island of the Blue Dolphins (Novel Study) Gr. 5-6 Ron Leduc, 2000-01-01 Island of the Blue Dolphins is the true story of a young girl's survival alone on a secluded island. Karana makes a choice between leaving with her village people on a rescue ship or swimming back to her island home to save her younger brother Ramo. There, Karana battles harsh environments and hostile wildlife. Her isolation from humans teaches her how to co-exist peacefully with the wildlife on the island and the sea. For nearly eighteen years, Karana learns how to hunt, cook, and clothe herself while surviving the harsh winters on the island. Finally, Karana is discovered by travelling missionaries and is taken off the island. This Novel Study provides a teacher and student section with a variety of activities, discussion questions, and an answer key to create a well-rounded lesson plan.

Island of the Blue Dolphins Scott O'Dell, Sara L. Schwebel, 2016-10-04 This is the first authoritative edition of one of the most significant children's books of the twentieth century. Winner of the 1961 Newbery Medal, *Island of the Blue Dolphins* tells the story of a girl left alone for eighteen years in the aftermath of violent encounters with Europeans on her home island off the coast of Southern California. This special edition includes two excised chapters published here for the first time as well as a critical introduction and essays that offer new background on the archaeological, legal, and colonial histories of Native peoples in California. Sara L. Schwebel explores the composition history and editorial decisions made by author Scott O'Dell that ensured the success of *Island of the Blue Dolphins* at a time when second wave feminism, the civil rights movement, and multicultural education increasingly influenced which books were taught. This edition also considers how readers might approach the book today when new archaeological evidence is emerging about the Lone Woman of San Nicolas Island on whom O'Dell's story is based and Native peoples are engaged in the reclamation of indigenous histories and ongoing struggles for political sovereignty.
