relationship with Prince Charles will appeal to reads looking for lots of giggles Publishers Weekly **This Is Shakespeare**
Emma Smith,2019-05-02 A THE TIMES BOOK OF THE YEAR 2019 The best introduction to the plays I ve read perhaps the
best book on Shakespeare full stop Alex Preston Observer It makes you impatient to see or re read the plays at once Hilary
Mantel A genius and prophet whose timeless works encapsulate the human condition like no others A writer who surpassed
his contemporaries in vision originality and literary mastery Who wrote like an angel putting it all so much better than
anyone else Is this Shakespeare Well sort of But it doesn t really tell us the whole truth So much of what we say about
Shakespeare is either not true or just not relevant deflecting us from investigating the challenges of his inconsistencies and
flaws This electrifying new book thrives on revealing not resolving the ambiguities of Shakespeare s plays and their changing
topicality It introduces an intellectually theatrically and ethically exciting writer who engages with intersectionality as much
as with Ovid with economics as much as poetry who writes in strikingly modern ways about individual agency privacy politics
celebrity and sex It takes us into a world of politicking and copy catting as we watch him emulating the blockbusters of
Christopher Marlowe and Thomas Kyd the Spielberg and Tarantino of their day flirting with and skirting round the cut throat
issues of succession politics religious upheaval and technological change The Shakespeare in this book poses awkward
questions rather than offering bland answers always implicating us in working out what it might mean This is Shakespeare
