### **Israel And The Palestinian Nightmare 3rd Edition:**

Israel and the Palestinian Nightmare Ze'ev Shemer, 2013-07-09 Israel and the Palestinian nightmare answers some of the toughest questions regarding Israel and the people referred to as Palestinians It takes the reader through a historical narrative that puts current issues into proper perspective Israel and the Palestinian nightmare is not only a reliable reference book it is a captivating description and review of the Arab Israeli conflict It offers an honest account of when and where Israel went wrong covers facts relating to the origins of the modern State of Israel and the profound effect that history has had upon contemporary events This book will clarify many of the misconceptions that exist regarding this conflict and it is essential reading for both scholars and laymen alike In a time of universal deceit telling the truth becomes a revolutionary act George Orwell The key mistake and reason why recycled peace proposals do not work is the false assumption that the Arab Israeli conflict is rooted in political discord Occupation refugee camps displaced masses it is all but an elaborate smoke screen Without trivializing the suffering of those caught in this evil web the truth is land is the least of the underlying factors that fuels this unending war In every generation there are always a few who understand Always understand even if you remain among the few RMK

**The Fall of Israel** Dan Steinbock, 2025-01-01 The path to the obliteration of Gaza was paved by the confluence of a set of longstanding forces This great conjuncture has transformed Israel and the occupied Palestinian territories while driving the region to the edge In The Fall of Israel Dr Dan Steinbock connects the dots among these lethal headwinds What makes The Fall of Israel unique is its comprehensive scope It covers Israel s political economic social and military changes the shifts in the Palestinian struggle for sovereignty Israel s degradation into apartheid rule the attendant atrocities the regional and global reverberations and the human and economic costs both prior and subsequent to Israel s fatal war on Gaza There its nightmarish actions have led to the engagement of the International Court of Justice and the International Criminal Court renewed international boycotts and massive domestic and international protests The Fall of Israel outlines the central drivers of this simmering tinderbox the serial expulsions of Palestinians the expansion of Jewish settlements in the occupied territories a half century of failed U S diplomacy in the Middle East and Israel s militarization enabled by the symbiotic bilateral ties with the U S and massive U S military aid In the Gaza War these ties fostered paradigms of devastation such as the Dahiya doctrine and mass assassination factories backed by pioneering artificial intelligence The settlements have contributed to the destabilization of the broader region since the early 1970s and are now compounding its politico economic and geopolitical crisis This book addresses the efforts to institute a Jewish rather than a secular state It shows how the postwar labor alignments were replaced by the hard right coalitions thanks to U S neoliberal economic policies assertive neoconservatism and Jewish American donors It also explains the causes behind the rise of the Messianic far right centrist parties and the failure of the Left The corrosion of Israeli society and politics was already reflected in and driven by an economy constrained by adverse erosion as reflected by the liabilities of its high tech cluster the

talent brain drain the threatened welfare state and subsidized religious sector But now the already evident politico economic costs to Israel of the Gaza war have set the stage for extraordinary uncertainty in the foreseeable future Elastic Empire Lisa Bhungalia,2023-12-12 The United States integrated counterterrorism mandates into its aid flows in the West Bank and Gaza Strip during the early years of the global war on terror Some two decades later this securitized model of aid has become normalized across donor intervention in Palestine Elastic Empire traces how foreign aid on which much of the Palestinian population is dependent has multiplied the sites and means through which Palestinian life is regulated surveilled and policed this book tells the story of how aid has also become war Drawing on extensive research conducted in Palestine Elastic Empire offers a novel accounting of the US security state The US war chronicled here is not one of tanks grenades and guns but a quieter one waged through the interlacing of aid and law It emerges in the infrastructures of daily life in a greenhouse and library in the collection of personal information and mapping of land plots in the halls of municipal councils and in local elections and indelibly transfigures lives Situated in a landscape where the lines between humanitarianism and the global war on terror are increasingly blurred Elastic Empire reveals the shape shifting nature of contemporary imperial formations their realignments and reformulations their haunted sites and their obscured but intimate forms *Israel and the Palestinian Nightmare* Ze'ev Shemer,2013-02-27 THIS EDITION WAS RETIRED PLEASE LOOK FOR 3RD EDITIONTHANK YOU
