**Iran, Israel, and the United States** Ofira Seliktar, Farhad Rezaei, 2018-06-20 This book analyzes the process of evaluating Iran's nuclear project and the efforts to roll it back resulting in the 2015 nuclear agreement known as the Joint Comprehensive Plan of Action JCPA Despite its aura of scientific exactitude nuclear intelligence is complex and susceptible to methodological disagreements and political bias at the international oversight level the International Atomic Energy Agency IAEA and within the countries involved in the rollback project Israel and the United States To highlight both the technological problems of assessing compliance and the politicization each chapter in the book uses a real time comparison of the nuclear developments in Iran and the perception of Israel and the United States This methodology yielded some significant results Essentially two camps had formed in each country those who were pushing for an agreement with Iran and those who opposed it The Israeli intelligence agencies the Mossad and the Military Intelligence as well as the highly secretive Israeli Atomic Energy Commission IAEC which advised them considered the program to be weak and slow moving The right wing government of Benjamin Netanyahu suggested that Iran was steps away from the point of no return making it an existential threat to Israel A virtually identical split emerged in Washington While the intelligence community and the advising scientists from the National Nuclear Laboratories considered Iran progress to be relatively modest the Republicans and the Israel lobby the Jewish organizations and the Christian Zionists warned of the imminent danger of a nuclear Iran With the Obama administration pushing for the JCPOA a fierce debate took place in Congress The Israeli intelligence and military chiefs led by the Mossad chief Meir Dagan which had previously blocked Netanyahu from a preemptive action quietly supported the agreement In Washington the Israel lobby and the Republicans helped by Netanyahu mounted an all out effort to defeat the deal in Congress The pro deal coalition fought back by mobilizing the scientific community military and intelligence officials the business lobby and grassroots Democrats The JCPOA represents the first successful effort of peaceful counterproliferation At the same excessive politicization has clouded its legitimacy and cast doubt about its future

Shadow Strike Yaakov Katz, 2024-07-02 The untold story of how the Israeli military stopped Syria from becoming a global nuclear nightmare reads like an international thriller Jonathan Kirsch Jewish Journal Review On September 6 2007 shortly after midnight Israeli fighters advanced on Deir ez Zour in Syria They were on a covert operation to destroy a secret nuclear reactor being built by North Korea in the Syrian desert Shadow Strike tells the story of the espionage political courage military might and psychological warfare behind Israel's daring operation to stop one of the greatest known acts of nuclear

proliferation Jerusalem Post journalist Yaakov Katz brings to life Israel's powerful military and diplomatic alliance with the United States revealing the debates President Bush had with Vice President Cheney and Israeli Prime Minister Ehud Olmert He also shines a light on the diplomatic and military planning that took place in the Oval Office the Prime Minister's Office in Jerusalem and inside the IDF's underground war room beneath Tel Aviv Katz also assesses the continued impact of this operation and bracingly asks the question had Israel not carried out this mission what would the Middle East look like today A 2019 National Jewish Book Award Finalist **Summary of Yaakov Katz's Shadow Strike** Everest

Media,2022-06-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 2007 Meir Dagan the head of the Mossad came to see President George W Bush with information that Syria was building a nuclear reactor He showed him dozens of photos one of which showed two men posing in front of the concrete structure One of the men was Ibrahim Othman head of Syria's Atomic Energy Commission 2 Dagan showed the Americans photos of the Yongbyon nuclear reactor which he said was built by North Korea and Syria The Americans had believed that North Korea was the only country helping Syria build a nuclear weapon 3 When Dagan showed photos of the nuclear reactor being built in Syria Cheney saw clues that others had missed The reactor was almost complete and there were no power lines or an electrical grid nearby to provide enough power This was a clear violation of a marker Bush had laid down after North Korea conducted its first nuclear test 4 Israel's intelligence capabilities were often praised by Cheney In 1990 he had a secure phone line installed in his office that he used to directly contact Arens's office in Tel Aviv The two spoke almost daily as the US worked hard to keep Israel out of the war *While Israel Slept* Yaakov Katz,Amir Bohbot,2025-09-02 NOW A USA TODAY BESTSELLER Crisply written draws on excellent sources within Israel's military and intelligence services The Wall Street Journal A powerful indictment of the political and military decisions that led to October 7 *While Israel Slept* tells the gripping inside story of how Hamas Israel's weakest enemy succeeded in launching a surprise attack on one of the world's most powerful militaries Through a detailed examination of the events leading up to October 7 2023 the book exposes the intelligence and strategic failures that enabled this devastating invasion It takes readers back in time showing how years of complacency mistaken intelligence analysis and a misguided policy of containment enabled Hamas to prepare for an assault that Israel did not believe was possible and that would change the Middle East The book unveils the dramatic events of the night before the attack highlighting the cracks in Israel's military and political leadership It provides unprecedented details on how key warnings were missed and how Israel ignored the growing threat from Hamas believing that the group was weak and deterred By exposing these failures *While Israel Slept* offers a stark sobering account of how overconfidence and complacency paved the way for disaster while underscoring the critical lessons Israel must embrace to safeguard its future Israel's Shadow War Against the Iranian Nuke Ephraim Kahana,2014-06-04
