# Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology

**Phillip L. Hammack**

## **Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology:**

**Israeli Identity, Thick Recognition and Conflict Transformation** L. Strombom, 2013-11-05 The divisive and malleable nature of history is at its most palpable in situations of intractable conflict between nations or peoples This book explores the significance of history in informing the relationship between warring parties through the concept of thick recognition and by exploring its relevance specifically in relation to Israel *The Palgrave Handbook of Global Political Psychology* H. Dekker, 2016-04-30 This collection recalibrates the study of political psychology through detailed and much

needed analysis of the discipline's most important and hotly contested issues It advances our understanding of the psychological mechanisms that drive political phenomena while showcasing a range of approaches in the study of these phenomena **Personalization of Politics and Electoral Change** D. Garzia, 2019-03-27 Using an innovative framework for the study of voting behavior in parliamentary democracies this book sheds new light on the ongoing personalization of politics The analysis makes use of national election study data from Britain Germany and The Netherlands and shows that party leaders can often be the difference between victory and defeat *Emotions in Politics* N. Demertzis, 2013-10-31

Prompted by the affective turn within the entire spectrum of the social sciences this book brings together the twin disciplines of political psychology and the political sociology of emotions to explore the complex relationship between politics and emotion at both the mass and individual level with special focus on cases of political tension **Imagining Collective Futures** Constance de Saint-Laurent, Sandra Obradović, Kevin R. Carriere, 2018-05-08 It is a commonly held assumption among cultural social and political psychologists that imagining the future of societies we live in has the potential to change how we think and act in the world However little research has been devoted to whether this effect exists in collective imaginations of social groups communities and nations for instance This book explores the part that imagination and creativity play in the construction of collective futures and the diversity of outlets in which these are presented from fiction and cultural symbols to science and technology The authors discuss this effect in social phenomena such as in intergroup conflict and social change and focus on several case studies to illustrate how the imagination of collective futures can guide social and political action This book brings together theoretical and empirical contributions from cultural social and political psychology to offer insight into our constant re imagination of the societies in which we live *The Marginalised in Genocide Narratives* Giorgia Donà, 2019-05-23 This year marks the twenty fifth anniversary of the Rwanda genocide This volume the product of over 20 years of engagement with Rwanda and its diaspora offers a timely reminder of the necessity of rethinking the genocide's social history Examining a range of marginal stories and using Rwanda as a case study The Marginalised in Genocide Narratives analysis of the transformation of genocide into a powerful narrative of a nation establishes an innovative means of understanding the lived spaces of violence and its enduring legacy In a distinctive approach to the social history of genocide this book engages with the marginalised foregrounds genocide's untold stories and

uses the conceptual framework of the constellation of genocide narratives to create connections among multiple social actors and identify narrative themes that address the unequal power and interdependence of narratives Adopting a multi level narrative methodology that addresses the value of multiple narrative framings for understanding genocides *The Marginalised in Genocide Narratives* will appeal to students and researchers interested in sociology conflict and peace studies history African studies and narrative research It may also appeal to policy makers interested in genocide studies and contemporary social history

Revisiting the Past Lisa Strömbom, 2010 This book focuses on the Israeli debates about New History which took place mainly during the 1990s The introduction of new interpretations of the 1948 War in the Israeli public sphere led to widespread controversy Those debates which initially concerned history later on came to the forefront as strong actors became involved in intense arguments over fundamental issues of national identity and legitimacy Through the addressing of those debates the author raises questions regarding the meaning of history and identity in conflict ridden societies The notion of thick recognition is introduced and developed It is suggested that it holds the possibility to transform relationships between protagonists in identity conflicts Adopting a post positivist approach the author probes the role of inside actors and endogenous processes in conflict ridden societies The book hence challenges the broader field of conflict theory which often has a focus on third party interventions together with elite negotiations It is suggested that conflict theories must be sensitive to elaborations over recognition within settings of deep seated conflicts Only then can profound changes in the relationship between the conflict s protagonists take place which can start a new era where the gridlock of intractability becomes dissolved Publisher s description

Narrative and the Politics of Identity Phillip L. Hammack, 2011 Since the late nineteenth century Jews and Arabs have been locked in an intractable battle for national recognition in a land of tremendous historical and geopolitical significance While historians and political scientists have long analyzed the dynamics of this bitter conflict rarely has an archeology of the mind of those who reside within the matrix of conflict been attempted This book not only offers a psychological analysis of the consequences of conflict for the psyche it develops an innovative compelling and cross disciplinary argument about the mutual constitution of culture and mind through the process of life story construction But the book pushes boundaries further through an analysis of two peace education programs designed to fundamentally alter the nature of young Israeli and Palestinian life stories Hammack argues that these popular interventions rooted in the idea of prejudice reduction through contact and the cultivation of cosmopolitan identities are fundamentally flawed due to their refusal to deal with the actual political reality of young Israeli and Palestinian lives and their attempt to construct an alternative narrative of great hope but little resonance for Israelis and Palestinians Grounded in over a century of literature that spans the social sciences Hammack s analysis of young Israeli and Palestinian lives captures the complex dynamic relationship among politics history and identity and offers a provocative and audacious proposal for psychology and peace education

**The Political Psychology of Israeli Prime Ministers** Yael S. Aronoff, 2014-05-29 This book examines leaders

of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country s foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place *Gendered Intractability* Corinna Gayer,2012 Which socio psychological and gender specific dynamics underlie national identity constructions in Israel and Palestine In which ways do they contribute to the cycle of violence in the Middle East This book combines approaches from political psychology and feminist peace and conflict studies to explore the subjective meanings of national identity constructions in Israel and Palestine It shows how national identity gender and the willingness to employ violence are intertwined with each other and intends to create a deeper understanding for the conflict dynamics of the Israeli Palestinian conflict First the most important socio psychological and gender sensitive dynamics of national identity constructions are presented and then conceptualized through a gender critical revision of the ethos of conflict Then the extensive discussion of the inter societal conflict history its intra societal reverberations and its meanings for the gender regime sets these identity dynamics into the specific context of the intractable conflict in the Middle East Finally the multi method approach based on a Q methodological study and conventional R methods is presented and analyzed *The International Self* Mira M. Sucharov,2012-02-01 The International Self explores an age old question in international affairs one that has been particularly pressing in the context of the contemporary Middle East what leads long standing adversaries to seek peace Mira M Sucharov employs a socio psychoanalytic model to argue that collective identity ultimately shapes foreign policy and policy change Specifically she shows that all states possess a distinctive role identity that tends to shape behavior in the international realm When policy deviates too greatly from the established role identity the population experiences cognitive dissonance and expresses this through counternarratives an unconscious representation of what the polity collectively fears in itself propelling political elites to realign the state s policy with its identity Focusing on Israel s decision to embark on negotiations leading to the 1993 agreement with the Palestine Liberation Organization PLO Sucharov sees this policy reversal as a reaction to the unease generated by two events in the 1980s the war in Lebanon and the first Palestinian Intifada that contradicted Israelis perceptions of their state as a defensive warrior Her argument bridges the fields of conflict resolution Middle East studies and international relations Jews and Arabs in Israel Encountering Their Identities Maya Kahanoff,2016 Jews and Arabs in Israel Encountering their Identities reveals the powerful potential of inter group dialogues to transform identities and

mutually negating relations Using meetings with Israeli Jewish and Palestinian Arabian students who attend the Hebrew University of Jerusalem as case studies Kahanoff examines the hidden psychological dimensions of the Israeli Palestinian conflict and illustrates how each participant's sense of identity shifted in response to encounters with conflicting perspectives Kahanoff contends that an awareness of the limitations of dialogue without the renunciation of its value is the most realistic basis upon which to build a sustainable agreement This book is recommended for scholars of psychology sociology religious studies political science and communication studies [The Political Psychology of Israeli Prime Ministers](#) Yael S. Aronoff, 2014-06-05 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place **The Role of Trust in Conflict Resolution** Ilai Alon, Daniel Bar-Tal, 2018-07-12 Built on the premise that trust is one of the most important factors in intergroup relations conflict management and resolution at large this volume explores trust and its mechanisms and operations especially in the Israeli Palestinian conflict Significantly this volume focuses not only on the nature of trust and distrust in the Israeli Palestinian conflict but it also explores how it is possible to build and increase trust on both sides in the conflict a necessity in order to advance the stalled peace process As trust is a concept that is interdisciplinary by nature so are this volume's contributors sociologists philosophers sociologists social psychologists political scientists as well as experts in the Middle East Islam Judaism and the Israeli Palestinian conflict bring together real multidisciplinary perspectives that complement each other and then provide a comprehensive picture about the nature of trust and distrust and its ramifications and implications for the Israeli Palestinian conflict Divided into five thematic parts the volume begins with by examining the theoretical basis of trust research from multiple perspectives Then it presents chapters on trust distrust and trust building in other conflicts around the world The third part is a unique feature of this volume as it takes a contextual approach it emphasizes the importance of particular cultural and religious considerations on both sides of the conflict The thrust of the book is examined in the next section Part IV discusses and analyses various aspects of trust and specifically distrust in the context of the Israeli Palestinian conflict Significantly the chapters of this part take the perspectives of the participants in the conflict Israeli Jews Palestinians and Israeli Arabs Finally the volume concludes by providing an integrative conceptual perspective based on the principles of social and political psychology An important goal of this volume is to not only explore

trust and distrust in an intractable conflict but also to provide practical multi disciplinary outlooks and implications to advance trust building in two conflict ridden societies Israeli and Palestinian and other societies around the world

Security Threatened Alan Arian,1995-11-24 Security Threatened is the first major analysis of the interactions among opinion politics and policy in Israel since the Six Days war of 1967      *The Israeli-Jewish Society* Daniel Bar-Tal,Eran Halperin,2013      Israel's Jewish Identity Crisis Yaacov Yadgar,2020-01-30 An important and topical contribution to the field of Middle East studies this innovative provocative and timely study tackles head on the main assumptions of the foundation of Israel as a Jewish state Theoretically sophisticated and empirically rich Yaacov Yadgar provides a novel analysis of the interplay between Israeli nationalism and Jewish tradition arriving at a fresh understanding of the Israeli Palestinian conflict through its focus on internal questions about Israeli identity By critiquing and transcending the current discourse on religion and politics in Israel this study brings to an international audience debates within Israel that have been previously inaccessible to non Hebrew speaking academics Featuring discussions on Israeli jurisprudence nation state law and rabbinic courts Israel s Jewish Identity Crisis will have far reaching implications not only within the state of Israel but on politics society and culture beyond its borders

This is likewise one of the factors by obtaining the soft documents of this **Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology** by online. You might not require more period to spend to go to the books foundation as well as search for them. **Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology**  
**Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology Books**

1. Where can I buy Israeli Identity Thick Recognition And Conflict Transformation Palgrave Studies In Political Psychology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
