Amaney A. Jamal

Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security:

Israeli Statecraft Yehezkel Dror, 2011-05-10 This book offers a systematic examination analysis and evaluation of Israeli national security statecraft in terms of challenges and responses Providing an in depth analysis of Israeli statecraft challenges and responses this interdisciplinary book integrates social science and security studies with public policy approaches within a long term historical perspective on the Arab Israeli conflict These scholarly approaches are synthesized with extensive personal knowledge of the author based on involvement in Israeli political security policy making This book makes use of conceptualizations of statecraft such as fuzzy gambling and interventions with critical mass in ultra dynamic historical processes to help clarify Israel s main statecraft successes and failures alongside the wider theoretical apparatuses these concepts represent While focused on Israel these theoretical frameworks have important implications for the academic study of statecraft and statecraft praxis worldwide This book will be of much interest to both statecraft practitioners and to students of Israeli politics and security the Middle Eastern conflict strategic studies and IR security studies in general

Israel's Civil-Military Relations and Security Sector Reform Ian Westerman, 2024-02-13 This book examines Israel s civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel s CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations

US Foreign Policy and Global Standing in the 21st Century Efraim Inbar, Jonathan Rynhold, 2016-01-13

This book examines US foreign policy and global standing in the 21st Century The United States is the most powerful actor in world politics today Against this backdrop the present volume examines how the foreign policies pursued by Presidents George W Bush and Barack Obama have affected elite and public perceptions of the United States By examining America s standing from the perspective of different actors from across various regions including China Russia Latin America and the Middle East while also assessing how these perceptions interact with America s own policies this books presents a fresh interpretation of America s global standing In doing so the volume evaluates how these perceptions affect the realities of US power and what impact this has on moulding US foreign policy and the policies of other global powers A number of books

address the question of which grand strategy the United States should adopt and the issue of whether or not America is in relative decline as a world power However the debate on these issues has largely been set against the policies of the Bush administration By contrast this volume argues that while Obama has raised the popularity of America since the low reached by Bush America's credibility and overall standing have actually been damaged further under President Obama This book will be of much interest to students of US foreign policy US national security strategic studies Middle Eastern politics international relations and security studies generally **Israeli National Intelligence Culture** Itai Shapira, 2024-09-30

The book offers a novel conceptualization of Israeli national intelligence culture describing the way in which Israelis perceive and practice intelligence Different nations have different national intelligence cultures relying on different ideas of intelligence perceiving and practicing intelligence in different ways Written by a former senior intelligence officer this book is the first study dedicated to Israeli intelligence culture and the way it reflects Israeli strategic culture Relying on more than 30 elite interviews with acting and former Israeli practitioners the book highlights the Israeli aversion to intelligence theory and scientific methods as well as to the structured management of the intelligence system at the national level It describes the intelligence system's emphasis on contrarian thinking and moral courage as the foundations of intelligence professionalism and the growing inclination of Israeli intelligence toward action and influence Intelligence is perceived and practiced by Israelis as a tool for problem solving addressing unique Israeli challenges While some traits of the Israeli national intelligence culture have contributed to its high reputation and its success story others might have also contributed to its failure in anticipating the Hamas terrorist attack on October 2023 or have remained aspirational norms rather than realized practice The October 2023 failure as that of the Yom Kippur War in 1973 will undoubtedly influence Israeli national intelligence culture for many years to come This book will be of much interest to students of intelligence studies Israeli politics strategic studies and international relations Israeli National Security Charles David Freilich, 2018 The most comprehensive study to date of Israel's national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published Comparative Grand Strategy Thierry Balzacq, Peter Dombrowski, Simon Reich, 2019-05-28 This book develops a new approach in explaining how a nation's Grand Strategy is constituted how to assess its merits and how grand strategies may be comparatively evaluated within a broader framework The volume responds to three key problems common to both academia and policymaking First the literature on the concept of grand strategy generally focuses on the United States offering no framework for comparative analysis Indeed many proponents of US grand strategy suggest that the concept can only be applied at most to a very few great powers such as China and Russia Second characteristically it remains prescriptive rather than explanatory ignoring the central conundrum of why differing countries respond in contrasting ways to similar pressures Third it often understates the

significance of domestic politics and policymaking in the formulation of grand strategies emphasizing mainly systemic pressures This book addresses these problems It seeks to analyze and explain grand strategies through the intersection of domestic and international politics in ten countries grouped distinctively as great powers The G5 regional powers Brazil and India and pivotal powers hostile to each other who are able to destabilize the global system Iran Israel and Saudi Arabia The book thus employs a comparative framework that describes and explains why and how domestic actors and mechanisms coupled with external pressures create specific national strategies Overall the book aims to fashion a valid cross contextual framework for an emerging research program on grand strategic analysis *Bookseller* ,1998 Of Empires and Citizens Amany A. Jamal,2012-09-09 In the post Cold War era why has democratization been slow to arrive in the Arab world This book argues that to understand support for the authoritarian status quo in parts of this region and the willingness of its citizens to compromise on core democratic principles one must factor in how a strong U S presence and popular anti Americanism weakens democratic voices Examining such countries as Jordan Kuwait Morocco Palestine and Saudi Arabia Amany Jamal explores how Arab citizens decide whether to back existing regimes regime transitions and democratization projects and how the global position of Arab states shapes people s attitudes toward their governments While the Cold War s end reduced superpower hegemony in much of the developing world the Arab region witnessed an increased security and economic dependence on the United States As a result the preferences of the United States matter greatly to middle class Arab citizens not just the elite and citizens will restrain their pursuit of democratization rationalizing their backing for the status quo because of U S geostrategic priorities Demonstrating how the preferences of an international patron serve as a constraint or an opportunity to push for democracy Jamal questions bottom up approaches to democratization which assume that states are autonomous units in the world order Jamal contends that even now with the overthrow of some autocratic Arab regimes the future course of Arab democratization will be influenced by the perception of American reactions Concurrently the United States must address the troubling sources of the region s rising anti Americanism **Index Islamicus** ,2000 Ballistic Missiles in the Middle East ,2001 *Israel's National Security* Efraim Inbar,2007-12-21 This volume presents a comprehensive analysis of Israel s security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel s relations in the Middle East that begins with an analysis of Israel s strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel s National Security delves not only into Israel s responses but also its relationships in the international community providing a complete picture of how Israel s strategic environment has evolved over time Relevant to today s current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel s relations with the Palestinians **Routledge Handbook on Israeli Security** Stuart A. Cohen,Aharon Klieman,2018-10-17 The Routledge Handbook on Israeli Security provides an

authoritative survey of both the historical roots of Israel's national security concerns and their principal contemporary expressions. Following an introduction setting out its central themes, the Handbook comprises 27 independent chapters all written by experts in their fields, several of whom possess first-hand diplomatic and/or military experience at senior levels. An especially noteworthy feature of this volume is the space allotted to analyses of the impact of security challenges not just on Israel's diplomatic and military postures, nuclear as well as conventional, but also on its cultural life and societal behavior. Specifically, it aims to fulfill three principal needs. The first is to illustrate the dynamic nature of Israel's security concerns and the ways in which they have evolved in response to changes in the country's diplomatic and geo-strategic environment, changes that have been further fueled by technological, economic and demographic transformations. Second, the book aims to examine how the evolving character of Israel's security challenges has generated multiple and sometimes conflicting interpretations of the very concept of security, resulting in a series of dialogues both within Israeli society and between Israelis and their friends and allies abroad. Finally, it also discusses how areas of private and public life elsewhere, considered inherently civilian and unrelated to security, such as artistic and cultural institutions, nevertheless do mirror the broader legal, economic and cultural consequences of this Israeli preoccupation with national security. This comprehensive and up-to-date collection of studies provides an authoritative and interdisciplinary guide to both the dynamism of Israel's security dilemmas and to their multiple impacts on Israeli society. In addition to its insights and appeal for all people and countries forced to address the security issue in today's world, this Handbook is a valuable resource for upper-level undergraduates and researchers with an interest in the Middle East and Israeli politics, international relations and security studies.

Israel's National Security Towards the 21st Century Uri Bar-Joseph, 2001. This volume discusses three principal issues: the Israeli army and the Revolution of Military Affairs; Israel's answers to the threats of weapons of mass destruction and changes in Israel's future war objectives.

Israel's National Security Law Amichai Cohen, Stuart Cohen, 2012. This book analyses both the substance of Israel's National Security Law and the dynamics of its historical development. It examines the normative principles upon which Israel's national security law is based, institutional arrangements for the formulation and protection of national security law, and the style in which Israeli national security law is formulated.

Israel's Security and Its Arab Citizens Hillel Frisch, 2011-10-24. Although a rich literature combining international relations and domestic political developments has recently emerged, most works specializing in state-minority relations, nationalism, citizenship and human rights have not integrated insights from the field of international relations and security affairs into their analysis. This absence is nowhere more visible than in the study of relations between the Israeli state and its Arab/Palestinian minority. This book aims to bring back international relations and international security perspectives into the analysis of relations between the Israeli state and its Arab minority. Drawing on international relations theory, it argues that the relationship between the Israeli state and the predominant community, as in many other cases characterized by ethno-national cleavage, was heavily

influenced by the state's broader regional geo strategic security situation State policies toward Israel's Arab citizens moderated in the rare times of relative geo strategic security and hardened when Israel's regional position became more precarious

Israel: National Security and Securitization Ori Wertman, Christian Kaunert, 2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence since the United States is Israel's most significant ally it is essential for the Israeli leadership to gain the American government's support or its lack of resistance for almost any securitization acts The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons Through unparalleled access to Israel's political and security echelons Israel National Security and Securitization provides a unique overview of Israel's decision maker's political perception over the years Ehud Olmert Prime Minister of Israel 2006 2009 Israel National Security and Securitization provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process Amos Yadlin IDF Military Intelligence Directorate Chief 2006 2010 This book makes us understand securitization in a novel and enlightening way thus making a substantial contribution to our understanding of national security in general and Israeli security in particular Gabriel Ben Dor University of Haifa Wertman and Kaunert's book makes an important and unique contribution to the existing and developing literature on securitization Kobi Michael Institute for National Security Studies

National Security And Public Opinion In Israel Asher Arian, 2019-04-10 National Security and Public Opinion in Israel undertakes to depict the patterns of public opinion in Israel regarding national security policy It analyzes some of the issues involved in the relationship between public opinion and the decisionmakers on national security issues

The Making of National Security Policy Meir Elran, Owen Alterman, Johann Cornblatt, 2011 This volume compiles edited versions of presentations delivered in January February 2011 at the fourth annual Institute for National Security Studies INSS international conference The conference series Security challenges of the 21st century brings together political leaders academics and practitioners to probe the most critical and challenging issues on Israel's national security agenda and to search for the policies that best advance Israel's national security interests The focus of this year's conference was The making of national security policy

Security Concerns Dan Jacobson, Aaron S. Klieman, 1998 This work offers a holistic presentation of security its broader sources and ramifications in Israel and by extension any other country in the world We extend the usual focus of analysis to include elements of societal life rather than the usual formats restricted to the military sphere or alternatively to a single sector of society Working from a

psychological sociological geopolitical approach this work provides a truly multidisciplinary perspective We assembled contributions from political scientists sociologists historians psychologists a geographer a criminologist and educator a media expert and an economist These authors bring together an array of conceptual tools and methodologies highlighting for readers again the set of formative security variables antecedent factors and social mechanisms that are instrumental in shaping security concerns and responses as well as insecurity security s wider impact on any given society **Scenarios in the Israeli-Palestinian Arena** Udi Dekel, 2018 Strategic Challenges and Possible Responses

Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security is one of the best book in our library for free trial. We provide copy of Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security. Where to download Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security online for free? Are you looking for Israeli Statecraft National Security Challenges And Responses Besa Studies In International Security PDF? This is definitely

going to save you time and cash in something you should think about.
