Managerial Communication Geraldine E. Hynes, Jennifer R. Veltsos, 2018-01-20 A Practical Strategic Approach to Managerial Communication Managerial Communication Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology. This is probably the best book on Managerial Communication in the market. Astrid Sheil, California State University San Bernardino **Managerial Communication** Jennifer R. Veltsos, Geraldine E. Hynes, 2024-08-22 Managerial Communication focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication and focus on managerial competencies, it continues to be the market leader in the field. The Ninth Edition provides coverage of current topics like managing hybrid and virtual teams, ChatGPT, and artificial intelligence, and empathic listening. *The Routledge Handbook of Language and Professional Communication* Vijay Bhatia, Stephen Bremner, 2014-02-24 The Routledge Handbook of Language and Professional Communication provides a broad coverage of the key areas where language and professional communication intersect and gives a comprehensive account of the field. The four main sections of the Handbook cover Approaches to Professional Communication, Practice, Acquisition of Professional Competence, Views from the Professions. This invaluable reference book incorporates not only an historical view of the field but also looks to possible future developments. Contributions from international scholars and practitioners focusing on specific issues explore the major approaches to professional communication and bring into focus recent research. This is the first handbook of language and professional communication to account for both pedagogic and practitioner perspectives and as such is an essential reference for postgraduate students and those researching and working in the areas of applied linguistics and professional communication. **Project Communication from Start to Finish** Geraldine E.
