Guide To Writing A Persuasive Essay:

The Broadview Guide to Writing: A Handbook for Students - Sixth Edition Corey Frost, Karen Weingarten, Doug Babington, Don LePan, Maureen Okun, 2017-05-30 Even the most useful reference guides are not always well shall we say riveting A refreshing exception is the new Broadview Guide to Writing which is smart helpful and even fun to read Gerald Graff and Cathy Birkenstein authors of They Say I Say The Moves That Matter in Academic Writing Key Features A coil bound reference text suitable for a range of introductory composition and writing courses Divided into three sections Writing Processes including Research Argumentation and Style Writing Mechanics Grammar Usage and Punctuation Writing Contexts Writing in different academic disciplines Forms and conventions and citation Comprehensive treatment of citation style guides with 2016 MLA style updates Expanded treatment of research methods argument structures and writing in the workplace A unique section on How to Be Good With Words issues of gender race class religion sexual orientation disability etc Expanded coverage for those whose native language is not English All new chapter on reading images Extensive companion website featuring interactive exercises Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors That does not change with the new edition what does change and stay up to date is the content of the book The sixth edition brings a substantial re organization of the contents under three headings Writing Processes Writing Mechanics and Writing Contexts Coverage of APA Chicago and CSE styles of documentation has been substantially expanded and the MLA section has now been fully revised to take into account all the 2016 changes Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new to the sixth edition
