Christine M. Fletcher,2015 How do we reconnect our faith and our life and move beyond being hour a week Christians In 24 7 Christian Christine Fletcher brings the riches of the Second Vatican Council with its teaching on the universal call to holiness the freedom of conscience and the role of the laity in the world together with the wisdom of the Rule of St Benedict to provide a practical guide to becoming a Christian 24 7 Fletcher shows the importance of Catholics faith in meeting the challenges facing people today including climate change global inequality and family breakdown *Fulfilled in Christ: The Sacraments. A Guide to Symbols and Types in the Bible and Tradition* Fr. Devin Roza,2015-07-01 The Early Church read the Scriptures with the conviction that in the words of St Augustine The New Testament lies hidden in the Old and the Old Testament is unveiled in the New Drawing inspiration from how both the Apostles and Christ himself read the Old Covenant as referring to the New cf Luke 24 27 1 Peter 3 20 21 1 Corinthians 10 1 5 the Church found the Old Testament to be rich with figures or types that foreshadowed both the mysteries of the life of Christ and the mysteries or sacraments of the New Covenant And yet in modern times the study of types or typology has been largely abandoned by scholars due to the dangers of subjectivity and exaggeration How can typology be studied in a way that is objective and that avoids the excesses present in the past Fr Devin Roza seeks to offer a solution to these difficulties by asking the question According to the Scriptures and the living Tradition of the Church what are the types and symbols of the sacraments and what do they mean As authorized representatives of the living Tradition the Liturgy including the readings from the Church Fathers and the Catechism together with the Scriptures offer both the scholar and pastor the opportunity to study typology as the Catholic Church herself understands and prays it today in those texts the Church considers her own *Fulfilled in Christ* thus offers a

comprehensive and readable summary of references to types and symbols of the sacraments in the Scriptures and the living Tradition of the Church as represented by the Liturgy and the Catechism The result is a highly objective scholarly and at the same time pastoral study of how the Church understands and lives the types and symbols of the sacraments today

**Standing in the Breach** Michael Widmer, 2015-09-09 At the heart of this study is a biblical theological approach to central passages on intercessory prayers in the OT After examining these largely prophetic prayer dialogues Widmer argues that they provide an important key to biblical theology and spirituality Furthermore a close reading of prayers by Abraham Moses Samuel David Solomon Isaiah Jeremiah Joel and Amos reveals fascinating insights into the portrayals of these characters and confirms strong conceptual associations with Moses Israel's archetypal mediator Widmer reads these prayers in both their immediate literary and wider canonical contexts The ultimate aim of this study is to gain a deeper understanding of the God whom the church worships and confesses to be the Father of Jesus Christ Particularly pertinent is the finding that many OT prayers interact with God's nature as revealed to Moses in Exod 34 6 7 Yhwh's fullest revelation is also given in the context of an intercessory prayer Widmer argues that intercessory prayer and theology have a hermeneutical spiral relationship mutually informing and correcting each other It is in engaging with a loving and holy God that the phenomenon of divine mutability must be understood Overall Standing in the Breach suggests that fundamental biblical themes such as God's mercy and judgment divine retribution and forgiveness covenant mediation substitutionary suffering and atonement and eventually the dynamics of the cross are all intrinsically related to and illuminated by prophetic OT intercessory prayers

Remnant Christianity in a Post-Christian World W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative
