Irrepressible Force Michele Zurlo, 2010-10 Siren Classic Erotic Cowboy Paranormal Romance Emmaline Force talks to ghosts When a desperate plea for help comes from Maria Sanchez Emmaline and her best friend Matt head halfway across the country to help Upon arrival Emmaline is immediately attracted to the skeptical and temperamental Blade Maria's brother Fresh from a failed engagement Emmaline wants a no strings affair and nothing more Blade has other ideas As things heat up between Emmaline and Blade she finds herself the target of a jealous and malevolent spirit Her rocky and volatile relationship with Blade shatters the same night Emmaline incites the ghost to violence Eighteen months later Emmaline finds herself back at the ranch to visit Maria and Matt who fell in love and married during their first visit The wounds in Emmaline's heart have healed and she has finally admitted to herself that she is in love with Blade Can she repair their relationship and finally defeat the ghost who has claimed Blade for her own A Siren Erotic Romance **The Ambassadors (Diversion Classics)** Henry James, 2016-04-19 Featuring an appendix of discussion questions the Diversion Classics edition is ideal for use in book groups and classrooms An intelligent man though not worldly Lewis Lambert Strethers leaves from Massachusetts to Paris devoted to a very serious goal He is to rescue his formidable fiancée's wayward son Chad from the bankrupt influence the city has surely taken on him Determined to bring him home Strethers instead finds himself falling under the spell of Paris and the people he meets Maria Gostrey a remarkable though forward woman shows him Paris as no tour ever could Bewitched by the charm and intellect of those he encounters he begins to wonder if Paris does not corrupt but transform its people Meeting Chad once more confirms his deepest suspicions Chad though living unconventionally is all the better for his stay Kinder smarter and more brilliant than ever before the change in Chad stirs fear in Strethers about the man ever returning to Massachusetts Worse still Strethers wonders if he can leave a city he's fallen in love with or the woman who introduced him to it From the canonical author of *The Turn of the Screw* and *The Portrait of a Lady* *The Ambassadors* continues to cement James's place at the forefront of literary realism *All Music Guide to Classical Music* Chris Woodstra, Gerald Brennan, Allen Schrott, 2005-09 Offering comprehensive coverage of classical music this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers as well as twenty three essays on forms eras and genres of classical music Original *The Classic German Dictionary*, 1926 *Collier's*, 1922 **Castiglione's Allegory** Dr W R Albury, 2014-07-28 Castiglione's *Book of the Courtier* Il libro del cortegiano 1528 a dialogue in which the interlocutors attempt to describe the perfect courtier was one of the most influential books of the Renaissance In recent decades a number of postmodern readings of this work have appeared emphasizing what is often characterized as the playful indeterminacy of the text and seeking to detect inconsistencies which are interpreted as signs of anxiety or bad faith in its presentation In contrast to these postmodern readings the present study conducts an experiment What understanding does one gain of Castiglione's book if one attempts an early modern reading

The author approaches *The Book of the Courtier* as a text in which some of its most important aspects are intentionally concealed and veiled in allegory W R Albury argues that this early modern reading of *The Book of the Courtier* enables us to recover a serious political message which has a great deal of contemporary relevance and which is lost from sight when the work is approached primarily as a courtly etiquette book or as a lament for the lost influence of the aristocracy in an age when autocratic nation states were coming into being or as an impersonal textual field upon which a free play of transformations and deconstructions may be performed **Billboard**, 1997-09-06 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Sisters of the Extreme Cynthia Palmer, Michael Horowitz, 2000-05 *Sisters of the Extreme* provides us with the eloquent writings of women who experimented with drugs Sometimes their quests brought unexpected rewards sometimes suffering The selections in this anthology show that the psychedelic experiences of women have been anything but stereotypical **The Books of Joel, Obadiah, Jonah, and Micah** Leslie C. Allen, 2024-04-18 The eloquent and uncompromising calls for social righteousness by the Minor Prophets are familiar to many yet the writings themselves are probably the least studied and least known texts of the Old Testament Those who are familiar with these books are also aware of the historical and literary problems that plague their study Drawing on theological historical and literary insights Leslie Allen's commentary on Joel Obadiah Jonah and Micah carefully and imaginatively reconstructs the context in which the original Hebrew audience received the prophets' messages In turn Allen shows what relevance they hold for contemporary Christians For each of the books Allen includes a substantial introduction presenting and assessing a broad range of scholarship a select bibliography and an extensive commentary on the author's own translation of the text Allen pays special attention to Micah in which he treats at greater length many of the forms and motifs that also appear in Joel Obadiah and Jonah The introductory material for Joel includes discussions of canonicity and textual criticism that apply to the entire volume Faith in Reading David Paul Nord, 2004-08-19 In the twenty-first century mass media corporations are often seen as profit-hungry money machines It was a different world in the early days of mass communication in America *Faith in Reading* tells the remarkable story of the noncommercial religious origins of our modern media culture In the early nineteenth century a few visionary entrepreneurs decided the time was right to reach everyone in America through the medium of print Though they were modern businessmen their publishing enterprises were not commercial businesses but nonprofit societies committed to the publication of traditional religious texts Drawing on organizational reports and archival sources David Paul Nord shows how the managers of Bible and religious tract societies made themselves into large-scale manufacturers and distributors of print These organizations believed it was possible to place the same printed message into the hands of every man, woman, and child in America Employing modern printing technologies and business methods they

were remarkably successful churning out millions of Bibles tracts religious books and periodicals They mounted massive campaigns to make books cheap and plentiful by turning them into modern mass produced consumer goods Nord demonstrates how religious publishers learned to work against the flow of ordinary commerce They believed that reading was too important to be left to the market revolution so they turned the market on its head seeking to deliver their product to everyone regardless of ability or even desire to buy

Wedding modern technology and national organization to a traditional faith in reading these publishing societies imagined and then invented mass media in America *Congressional Record* United States. Congress,1974 **The Saturday Review of Politics, Literature, Science and Art** ,1858 **The Illustrated London News** ,1879 The Saturday Evening Post ,1907 **America's Irresistible Attraction** John S. Dinga,2011-04 Part travelogue and part memoir John S Dinga s newest book is a sequel to Navigating the Contradictions of America and explores disparities between America s past and present from the perspective of an immigrant Featuring characters both real and fictional Dinga shares his observations about the realities of making a new life in a new country with an occasional flashback to the former home The desire to immigrate to America is one shared by people all over the world people who are often unaware of what it takes to thrive in a competitive capitalist world where nothing is the same as before Settling down in a new environment and navigating the politics and stresses of finding a job are just two of the aspects of culture shock a new immigrant will face Expectations and responsibilities from those back home also add to the new immigrant s challenges and Dinga offers his suggestions on how to thrive under those stresses as well He speaks not only to the potential immigrant but to those officials in power on either side of the process as well Learning to make the right choices when presented with so many options is another life lesson addressed The American society freedoms choices and government are envied in many corners of the world and Dinga explores how that perception influences the decision to start the journey People need to know that living in America has its challenges challenges not often imagined when the desire to immigrate pushes them to cross deserts oceans and unfriendly skies **Frank Leslie's Illustrated Newspaper** John Albert Sleicher,1886 *W. S. Merwin* Harold Bloom,2009 A comprehensive research and study guide to five of the poems of W S Merwin Billboard ,1997-02-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
