Is Scripture Enough? Jonathan Leeman, 2017-03-24 **Multisite Churches** Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God's design for the local church but does Scripture support this claim In *Multisite Churches* pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church's future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters *Multisite Churches* is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource *Worship and Power* Sarah Kathleen Johnson, Andrew Wymer, 2023-03-22 Christian worship emerges from and speaks back into human relationships that are necessarily shaped by power and authority Free Churches structure and negotiate power in relation to worship in ways that reflect the decentralization local diversity and personal agency that characterize many aspects of Free Church theology and practice This volume models how dialogue among scholars and practitioners of Free Church worship as well as dialogue with the wider church can be mutually enriching as Christians strive together to worship in ways that are faithful and just *Invitation to Biblical Theology* Jeremy M. Kimble, Ched Spellman, 2020-06-30 *Invitation to Biblical Theology* provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God's plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God's glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy *Thriving as a Single Person in Ministry* Kevin E. Lawson, Jane Carr, 2021-06-15 Churches large and small across the world and in every denomination have rising numbers of single people on their leadership staff This book presents a research based perspective on the joys opportunities and challenges of being single in vocational ministry Through extensive interviews and focus groups the authors present both a practical application and a positive message for those serving God as single clergy or pastoral leaders **Shepherding the Pastor** Phil A. Newton, Rich C.

Shadden,2023-02-13 **Shepherding the Pastor** helps new and upcoming pastors understand the common challenges and pitfalls that arise in the early years of ministry and to face difficulties with faith wisdom and patience **The**

Gospel-Driven Church Jared C. Wilson,2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don t tell us the full story of a church s spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church **Theistic Evolution** J. P. Moreland,Stephen C.

Meyer,Christopher Shaw,Ann K. Gauger,Wayne Grudem,2020-06-20 Winner of the ECPA Book of the Year Award for Bible Reference Works Many prominent Christians insist that the church must yield to contemporary evolutionary theory and therefore modify traditional biblical ideas about the creation of life They argue that God used albeit in an undetectable way evolutionary mechanisms to produce all forms of life Featuring two dozen highly credentialed scientists philosophers and theologians from Europe and North America this volume contests this proposal documenting evidential logical and theological problems with theistic evolution making it the most comprehensive critique of theistic evolution yet produced Explains why theistic evolution is not congruent with a biblical worldview Features nineteen essays written by well known experts in their fields Designed to be used as a textbook for courses on religion and evolution Accessible for those without expertise in the subject **No Shortcut to Success** Matt Rhodes,2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry Trendy new missions strategies are a dime a dozen promising missionaries monumental results in record time These strategies report explosive movements of people turning to Christ but their claims are often dubious and they do little to ensure the health of believers or churches that remain How can churches and

missionaries address the urgent need to reach unreached people without falling for quick fixes In *No Shortcut to Success* author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short term missions and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship the same ones used by historic figures such as William Carey and Adoniram Judson These great missionaries didn't rush evangelism they spent time studying Scripture mastering foreign languages and building long term relationships Rhodes explains that modern missionaries emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help He also warns against underestimating the value of individual skill and effort under the guise of getting out of the Lord's way and empowers Christians with practical biblical steps to proactively engage unreached groups *Biblical Ministry Advice* Examines the work of respected missionaries throughout history Encourages Professionalism in Missions Rhodes teaches missionaries to invest in theological education communication and technical skills *A Great Resource for Ministries* Includes specific advice for singles parents and other groups *Insightful* Examines strengths and weaknesses of recent missionary movements

Men and Women in the Church Kevin DeYoung, 2021-03-15 This is the first book I will recommend to those who want to study what the Scriptures teach about the roles of men and women both in marriage and the church I was amazed at how much wisdom is packed into this short book Everything in the book is helpful but the practical application section alone is worth the price of the book Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation The Southern Baptist Theological Seminary *A Biblical Primer on Men and Women in the Church* There is much at stake in God making humanity male and female Created for one another yet distinct from each other a man and a woman are not interchangeable they are designed to function according to a divine fittedness But when this design is misunderstood ignored or abused there are dire consequences Men and women in marriage especially but in the rest of life as well complement one another And this biblical truth has enduring cosmic significance From start to finish the biblical storyline and the design of creation itself depends upon the distinction between male and female *Men and Women in the Church* is about the divinely designed complementarity of men and women as it applies to life in general and especially ministry in the church

40 Questions About Pastoral Ministry Phil A. Newton, 2021-01-26 A veteran pastor answers the questions that today's pastors are asking In *40 Questions about Pastoral Ministry* veteran pastor Phil Newton provides trustworthy answers to 40 of the most common and pressing questions relating to the life and work of the pastor Covering five major categories such as development practices and preaching Newton equips pastors to successfully handle everyday duties and challenges including Remaining spiritually healthy Strengthening your marriage Dealing with discouragement Avoiding pitfalls Leading elders meetings Mentoring future leaders Preaching through books of the Bible Conducting marriages and funerals Practicing church discipline Leading change and revitalization and much more Basing his answers on Scripture theological reflection and personal experience Newton serves as a mentor and guide for pastors at

every stage of ministry The questions and answers are self contained and topics of interest can be easily located Pastors will want to consult this volume often for authoritative advice on all aspects of pastoral ministry **Going Public** Bobby Jamison, 2015-07 Going Public builds a theological case for why baptism is required for church membership answers objections and applies this theological vision to the local church s practice of baptism the Lord s Supper and church membership *Co-operative News and Journal of Associated Industry*, 1888 *Themelios*, Volume 38, Issue 2 D.
