Global Powers of Horror Francois Debrix, 2016-12-19 *Global Powers of Horror* examines contemporary regimes of horror into horror's intricacies and into their deployment on and through human bodies and body parts To track horror's work what horror decomposes and perhaps recomposes Debrix goes beyond the idea of the integrality and integrity of the human body and it brings the focus on parts pieces or fragments of bodies and lives Looking at horror's production of bodily fragments both against and beyond humanity the book is also about horror's own attempt at re-forming or re-creating matter from the perspective of post-human non-human and inhuman fragmentation Through several contemporary instances of dismantling of human bodies and pulverization of body parts this book makes several interrelated theoretical contributions It works with contemporary post-geo-political figures of horror faces of concentration camp dwellers

body parts of victims of terror attacks the outcome of suicide bombings graphic reports of beheadings re compositions of melted and mingled remnants of non human and human matter after 9 11 to challenge regimes of terror and security that seek to forcefully and ideologically reaffirm a biopolitics and thanatopolitics of human life in order to anchor today's often devastating deployments of the metaphysics of substance Critically enabling one to see how security and terror form a geopolitical continuum of violent mobilization utilization and often destruction of human and non human bodies and lives this book will be of interest to graduates and scholars of biopolitics international relations and security studies

The Islamic State Ondrej Filipec, 2020-03-10 The Islamic State analyzes the transformation of ISIS Daesh from an underground insurgent organization to a quasi state entity It traces the genesis and evolution of what may be interpreted as a revolutionary war aimed at the creation and expansion of a new society and world order in the ruins of Syria and Iraq This book Analyzes the regime's totalitarian features including structure ideology propaganda and violence Examines its ideology with a focus on radical Islamism and Salafi jihadism Studies the economics behind its continued existence and Explores the attitude of key state and non state actors especially Russia USA and the Global Coalition towards Daesh An indispensable guide to the study of modern terrorism this book will be of great interest to students and researchers of Middle East studies terrorism with a focus on ISIS military and strategic studies politics and international relations as well as general readers

Foreign Policy of the Islamic Republic of Iran Przemyslaw Osiewicz, 2020-11-29 Providing a well balanced and impartial perspective on the foreign policy of the Islamic Republic of Iran this book contributes to a better understanding of the current foreign policy of Iran especially its internal and external determinants Combining theoretical and practical aspects it provides readers with a short analysis of Iranian foreign policy The first part is dedicated to the Pahlavi era between 1925 1979 The second consists of three chapters covering issues relating to ideological and institutional aspects of Iranian foreign policy after 1979 The last part incorporates eight case studies which best present both regional and global dimensions This comprehensive study contains a synthesis of views and opinions of commentators and scholars who often represent contradictory perspectives Serving as a key reference and starting point for further studies this book will be of interest to students and researchers studying Iranian foreign policy international relations and Middle Eastern studies

As Strong as the Mountains Robert L. Brenneman, 2016-01-20 The Kurds are the largest ethnic group in the world without their own homeland numbering over 30 million people divided among Turkey Iran Iraq and Syria Originating as rural nomads living in the mountains the Kurds have transformed into an urban entity within the Middle East Brenneman who has lived and conducted long term fieldwork among the Kurds in Iraq and Turkey presents a rich arc of their culture and experiences from ancient to modern times The latest edition incorporates original and updated accounts of core and changing aspects of contemporary Kurdish culture including human rights challenges complicated ethnic identity women's roles and gender issues family and community dynamics diverse religious practices transition from oral tradition to literacy and struggles to defeat the Islamic State

Questions for discussion at the end of each chapter encourage readers to think deeply about what it means to be a proud ethnic group fighting for sovereignty and recognition

Armed Non-State Actors in International Relations ASHIM DHAKAL, 2019-03-25 In the vocabulary of International Relations IR States had traditionally been the centre of the discourse such State Centric elucidation concentrates on Westphalian model of Nation State that laid down the foundation of contemporary state system and understanding of International Relations Theoretically the understanding of IR was dominated by Realist paradigm and field was often described as child of Morgenthau Hobbesian Machiavellian etc revolved around the concept of Power However the end of Bipolarity witnessed a paradigm in two distinct ways The first is in a geographical sense with power moving from certain traditional strong states such as U K U S to other states like China Japan Second is parallel where power is shifting from State to Non State Actors NSAs Parallel Shift is more transformative and is substantially a different kind of shift In such circumstances new actors have increased its involvement in IR Scholarly analysis in the discourse was built on State not NSAs There is less comprehensive understanding on NSAs If one agrees on parallel shift then such transformation needs further theoretical analysis This book provides an analysis on parallel shift and uses ISIS to elucidate transformation that has been taking place in IR

Stand Strong America Alex McFarland, Jason Jimenez, 2016-06-01 Americans are weary of the poor character and decisions of their leaders Widespread corruption has led many to lose hope and succumb to fear Every day Americans nervously watch the national debt climb to a whopping 20 trillion with no solutions in sight Government bailouts are the norm and entitlement spending is out of control Civil unrest and racial divide intensify Drug use porn obsession and human trafficking increase Terrorist threats and attacks are a daily occurrence The exercise of free speech is becoming a thing of the past Stand Strong America provides Americans real answers and courage to stand strong in the midst of uncertainty and fear offering a vision of hope that reignites the fervor and courageous faith that existed when the republic of America was created Authors Jason Jimenez and Alex McFarland chart the amazing story of how America became the greatest nation on earth and what Americans must do to regain that greatness Be encouraged and empowered by this clear and invigorating message that will challenge you to love God cherish freedom pray for a better tomorrow make a difference and stand strong no matter the cost

The Lebanese Forces Nader Moumneh, 2018-12-19 In this book author Nader Moumneh a Canadian senior policy adviser of Lebanese descent examines the research of the formation and evolution of the Christian resistance in Lebanon he performed as a graduate student at the American University of Beirut in the early 1990s He has conducted hundreds of lengthy interviews with senior Lebanese Forces leaders who were thoroughly impressed by his communicative yet assertive personality his scrupulous presentation of facts his obsessive attention to detail and most importantly his unwavering determination to unveil behind the scenes events Mr Moumneh drew upon his self acquired persuasion tactics and negotiation strategies to earn the Lebanese Forces trust and gain access to top secret never before published information Since then he has continually revised and expanded the

manuscript to address the rapidly changing situation in Lebanon and the Middle East The Lebanese Forces Emergence and Transformation of the Christian Resistance has taken twenty five years to produce and is unique in its own right Mr Moumneh s work is not a typical re telling of the Lebanese crisis rather it is a magnificent blend of skillful craftsmanship an unprecedented wealth of painstakingly referenced chronological research and now declassified intelligence information
