After raising his brother and sisters when their dad died, his responsibilities are done. It's time to follow his own dreams, which include remodeling an old motel on the northless, touristy end of the island. It will take a lot of money and effort, but it will mean he can stay on the island he's loved and missed. Rachel Hamilton isn't surprised when Fitz turns up at her front door when he comes back to town. They've always been friends, and since high school have added with benefits to the description. She often wonders what might have happened between them if his dad hadn't died, if he hadn't been left with the responsibility of raising his siblings, if he hadn't thought his best option for providing for them was the army. She has dreams of a happily ever after, but he wants to live life on his own terms. She has to show him that she can take care of herself and him if he needs it. Can she turn their friendship into benefits for her? Avalon Hearts Jessamy Dawson couldn't wait to get away from Avalon Island and start living her life. Nine years later, a political scandal chases her from that life, and the only place she can find sanctuary is the home she couldn't wait to escape. Logan Marlowe is a hardworking single dad working two jobs to pay child support. His son is the most important person in the world to him, and he hasn't dated since his divorce. But when Jessamy walks into his life, her own disaster, he knows she's the one. She doesn't want to get involved after her affair with a senator exploded so publicly, and she certainly doesn't want Logan to know of her failure.
